

**Bothwellbank
Bothwell**

the place to be®

millerhomes

A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Bothwellbank.

Nestling by the River Clyde in one of Scotland's most desirable residential areas, half a mile from the amenities of Bothwell's conservation town centre and a mile from the intersection of the M74 and the A725, this selection of prestigious five bedroom homes combines superb natural surroundings with an outstanding strategic location, 20 minutes from Glasgow city centre and within an hour's drive of virtually all of central Scotland.

Welcome to Bothwellbank...

Specification

Individual Touches

Every aspect of our homes in Bothwellbank have been carefully considered. Even the smallest details have been meticulously reviewed to ensure that we are providing you with a luxurious family home that will bring a lifetime of pleasure. The following sections detail the finishes and fittings you will find in your home. To allow you to personalise your home even before you move in, we also offer a carefully selected range of upgrades and options, which have to be chosen early enough in the build process to allow us to include them. Your Development Sales Manager will be happy to tell you about the various options and their costs, and the last possible dates by which they must be selected.

Kitchens

The Siemens oven, hob and cooker hood set the tone of the expertly designed kitchens, demonstrating an outstanding combination of sophisticated style and twenty-first century technology. Cabinets from Symphony's New York range, with their minimalist, handle-free look, harmonise perfectly with the integrated appliances, which include a dishwasher, a Siemens tall larder fridge and a separate larder freezer, and the LED downlighters provide powerful, effective illumination precisely where you need it.

Internal Detailing

The internal finishes and features have been meticulously selected to reflect the premium quality of these exclusive homes. To maximise the effects of natural light, internal walls are finished in crisp white emulsion with white skirtings. Internal facings are of ovolo MDF, with a white gloss finish, and bedrooms one and two have built-in wardrobes to provide generous storage that uses space to maximum advantage. For an additional cost, buyers can choose from a range of floor coverings including Amtico, carpets and ceramic tiling.

Bathrooms and WC's

All baths and sanitary ware are selected from the Ideal Standard selection, with premium features including a luxurious double-ended bath with separate wall mounted taps, perfect for relaxing in sumptuous comfort.

The bathrooms, en-suites and WC's are tiled to half height, and buyers can opt to extend the tiling to full height. It is also possible to upgrade the wall tiling by selecting from Porcelanosa's premium ranges, and to add floor tiling as an optional extra. In addition, towel rails and shaver points are available as optional extras.

Doors and Staircases

We install high performance front and rear doors from the IG range for their excellent thermal insulation and low maintenance. The stylish, contemporary internal doors are painted crisp white, and all staircases are constructed of timber with attractive oak handrails and white spindles.

Electrical

White pendant light fittings are installed as standard in all rooms except kitchens, bathrooms, WC's and en-suites, where white LED downlighters are used. Options to upgrade in lighting include additional lighting positions and chrome fittings. A BT point is installed in the lounge, and further telephone sockets can be added as required as an optional extra. A Sky+ point is installed in the lounge.

Exterior Details and Security

All of the external doors, including those of the double garage, are finished in deep anthracite grey, matching the frames of the uPVC windows to create a classic, crisp contrast with the building's white façades. The square profile of the bay windows enhances the traditional, timeless appeal, and privacy is maintained by a 1.8 metre high fence with a conveniently positioned gate. A useful external water tap has been plumbed in.

All customer choices and optional extras can only be included at an early stage of building construction. Please check with the Sales Adviser for specific details. These sales particulars do not constitute a contract, form part of a contract or a warranty. Please refer to the 'Important Notice' section at the back of this brochure for more information. Photography represents typical Miller Homes' fittings and options.

Bothwellbank is set in one of the most attractive and strategically convenient locations in central Scotland, just a mile from the M74 and A725. Glasgow city centre is within 25 minutes drive via either the M74, for the south of the city, or the M8 for the north, and Edinburgh is an hour away by the M8. Frequent trains from Blantyre Station, fifteen minutes walk away, reach Glasgow Central in around 25 minutes, and other destinations from Blantyre include Milngavie, Larkhall and Cumbernauld. The station at Uddingston, two miles from the development, offers faster trains to Glasgow Central, as well as direct services to Edinburgh. Bothwell is also well served by local buses running between Hamilton and Glasgow, reaching the city centre in around half an hour.

Bothwell's traditional Main Street is a charming assortment of red sandstone buildings where churches, homes and businesses are interspersed with shops, cafés, restaurants and bars. In addition to a Co-op supermarket, there are convenience stores, family butchers, bakers,

a pharmacy, post office, newsagents, hairdressers, and other services. Alternative shopping centres, and a choice of supermarkets, can be found within half an hour's walk in Uddingston, home of the celebrated Tunnock's Tearoom and Bakery. An even greater variety can be found in Hamilton, three miles to the south.

The area's outdoor amenities are outstanding. Immediately to the north of Bothwellbank, pleasant woodland walks along the Clyde lead to Bothwell Castle, and a footbridge crosses the river to the David Livingstone Memorial Centre and Park with its excellent children's playgrounds. Bothwell Castle Golf Club, a mature 18-hole parkland course with full clubhouse facilities including a snooker room, lies conveniently between Bothwell and Uddingston. Nearby Strathclyde Country Park, with its mixture of woodlands, wildlife habitats and water sports, is one of Scotland's most popular outdoor attractions, while the area's indoor fitness facilities include a swimming pool and gym at David Lloyd Club in Hamilton.

How to find us

Please see website
for development
opening times:
millerhomes.co.uk
03330 606 192

From Glasgow
Leave Glasgow by the M74 following signs for Carlisle. Exit the motorway at junction 5, and follow signs for Bothwell and Hamilton, around 700 yards after leaving the motorway, at the mini-roundabout turn right, signposted for Bothwell. After 600 yards, at Da Luciano restaurant, turn left into Silverwells Crescent. Follow along Clyde Terrace, turn left onto Blantyre Mill Road and Bothwellbank is straight ahead.

From Edinburgh and the M8
Stay on the M8 past the Dakota Hotel on the left, then bear left at the next junction to join the A725 Bellshill Bypass. Just over two miles on, at the intersection with junction 5 of the M74, at the roundabout follow signs for Bothwell and Hamilton, around 700 yards after leaving the motorway, at the mini-roundabout turn right, signposted for Bothwell. After 600 yards, at Da Luciano restaurant, turn left into Silverwells Crescent. Follow along Clyde Terrace, turn left onto Blantyre Mill Road and Bothwellbank is straight ahead.

the place to be®

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GaleriArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products. Like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.

Fletcher

Overview

The welcoming bay-windowed lounge complements a beautifully planned kitchen, where the dining area incorporates french doors, and a separate laundry keeps the social space free for cooking and conversation. The master bedroom, one of two with en-suite facilities, includes a double wardrobe.

The Miller Difference

“Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me.”

Chris Mackenzie
Miller Home Owner

“We are so impressed with the exceptional customer service and quality of our home that we’ve recommended Miller Homes to a friend.”

Helen Moscrop
Miller Home Owner

The Miller Difference

We’re enormously proud of the homes we’ve been building for the last 80 years, and throughout that time we’ve been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we’ve seen many generations of families enjoy our homes and developments, and we’ve seen the happy, thriving communities they’ve become.

Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We’re proud of the independent surveys that consistently show our high levels of customer satisfaction. That’s the real barometer of our quality and our service.

Helping where we can

We invest everything into your customer journey – it’s designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we’ll listen to you right from the start. From the day you first look around a showhome until long after you’ve moved in, we’re here to offer help and support. We’ve been doing this a long time so we have a vast amount of experience to draw on.

We don’t want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It’s a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

Keeping you involved

First you’ll meet your Development Sales Manager who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We’ll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you’ll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we’ve finished building it.

A Better Place

We don’t just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique www.mymillerhome.com website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you’ve moved in.

For your future

For us, success is building exceptional homes, in sustainable communities. And that’s how we’ve built a business that goes from strength to strength.

Bothwell's traditional Main Street is a charming assortment of red sandstone buildings where churches, homes and businesses are interspersed with shops, cafés, restaurants and bars. In addition to a Co-op supermarket, there are convenience stores, family butchers, bakers, a pharmacy, post office, newsagents, hairdressers, and other services. Alternative shopping centres, and a choice of supermarkets, can be found within half an hour's walk in Uddingston, home of the celebrated Tunnock's Tearoom and Bakery. An even greater variety can be found in Hamilton, three miles to the south.

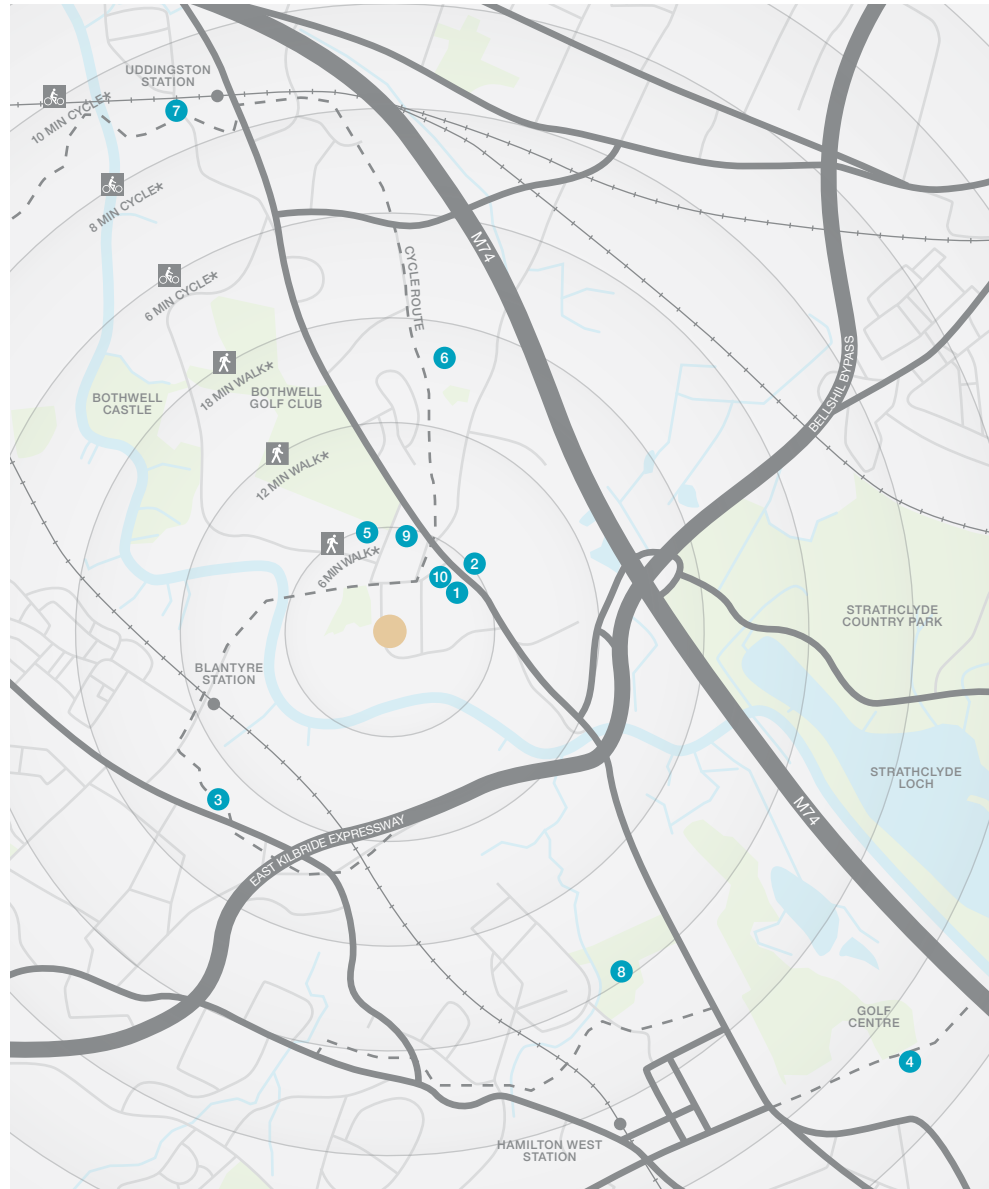

The area's outdoor amenities are outstanding. Immediately to the north of Bothwellbank, pleasant woodland walks along the Clyde lead to Bothwell Castle, and a footbridge crosses the river to the David Livingstone Memorial Centre and Park with its excellent children's playgrounds. Bothwell Castle Golf Club, a mature 18-hole parkland course with full clubhouse facilities including a snooker room, lies conveniently between Bothwell and Uddingston. Nearby Strathclyde Country Park, with its mixture of woodlands, wildlife habitats and water sports, is one of Scotland's most popular outdoor attractions, while the area's indoor fitness facilities include a swimming pool and gym in Blantyre, and a David Lloyd Club in Hamilton.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Bothwell has two primary schools, Bothwell Primary and St Bride's RC Primary, and the development is in the catchment areas for Uddingston Grammar School and Holy Cross High School in Hamilton. Both secondary schools are within two miles of the development. There is a large GP practice based at the Bothwell Medical Centre, ten minutes walk from Bothwellbank, and Bothwell Dental Care, in the town centre, is a large, modern surgery.

* Times stated are averages based on approximate distances and would be dependent on the route taken.
Based on:
0.5km = 5 to 7 mins walk
1.0km = 10 to 14 mins walk
1.5km = 15 to 21 mins walk
2.0km = 5 to 8 mins cycle
2.5km = 6 to 10 mins cycle
3.0km = 7 to 12 mins cycle

How to find us

Please see website
for development
opening times:
millerhomes.co.uk
03330 606 192

From Glasgow
Leave Glasgow by the M74 following signs for Carlisle. Exit the motorway at junction 5, and follow signs for Bothwell and Hamilton. Around 700 yards after leaving the motorway, at the mini-roundabout turn right, signposted for Bothwell. After 600 yards, at Da Luciano restaurant, turn left into Silverwells Crescent. Follow along Clyde Terrace, turn left onto Blantyre Mill Road and Bothwellbank is straight ahead.

From Edinburgh and the M8
Stay on the M8 past the Dakota Hotel on the left, then bear left at the next junction to join the A725 Bellshill Bypass. Just over two miles on, at the intersection with junction 5 of the M74, at the roundabout follow along Clyde Terrace, turn left onto Blantyre Mill Road and Bothwellbank is straight ahead.

Sat Nav: G71 8DZ

The homes we build are the foundations of sustainable communities that will flourish for generations to come. We work in harmony with the natural environment, protecting and preserving it wherever we can. With our customers, colleagues and partners, we strive to promote better practices and ways of living. We're playing our part in making the world A Better Place.

the place to be®

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GaleriArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products. Like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
