Please note Home Exchange is not available with any other offer and is subject to the Terms and Conditions of our Home Exchange Package. Home Exchange is only available on selected properties, and may not be offered at this development. Help to Buy cannot be used in conjunction with other schemes. The equity loan must be repaid after 25 years, or earlier if you sell your property and is interest free for the first 5 years. From year 6 a fee of 1.75% is payable on the equity loan, which rises annually by RPI plus 1%. Help to Buy is subject to eligibility and may not be available on this development.

Help to Buy

Buy with just 5% deposit

Help to Buy is backed by the Government and aimed at helping you purchase your first home.

The scheme is open to first time buyers and there are regional price caps on the value of the property you are able to purchase with Help to Buy, please talk to one of our Sales Advisors for the regional details in your area.

To use the scheme, you will need at least a 5% deposit. You may then be eligible to receive an interest free equity loan from the Government of 20% of the value of your new home, which means that you only need to secure a 75% mortgage.

Ashberry Home Exchange

We understand your current home is more than bricks and mortar, it's full of hard work and memories. The time has come to move on and up, but understandably you'll only sell your home for what it's worth. That's why we'll arrange for 2 independent estate agents to value your home before we make you an offer, to ensure the price we offer is fair. That's refreshing...

Ashberry Assisted Move

Selling your home can be hard work, so let us help. We'll work with you to appoint a local estate agent to market your home at a price you're happy with.

We'll then speak directly with the agent and call you with an update at least once a week. It all adds up to Ashberry Homes, refreshingly different.
