## Options in every direction

Whether you're browsing the shops in the County Mall, taking a walk through the water gardens, relaxing in Tilgate Park or quad biking at Southern Pursuits, there's always something to discover nearby in Crawley. You'll have a cinema, theatre, pubs, restaurants and bars, together with local football, cricket, rugby, golf and a leisure centre with a pool and gym. Horsham is also close by with its galleries, museum and shops.

Head North and you soon reach the Surrey Hills. This outstanding area of natural beauty offers great walking and fabulous views. There's wonderful countryside to the South as well. Along the Downs you'll encounter charming villages with olde worlde pubs, iron age forts, historic castles, steam railways and mighty chalk cliffs that look out across the channel.

Brighton is a great day out at any time of year. Wander through the Lanes, explore the Royal Pavilion, take the i360 and gaze out to sea, enjoy fresh seafood and candyfloss on the pier and then take in a show or dance the night away. Portsmouth is handy too. And Eastbourne. In fact the whole South Coast, with its wonderful resorts, beaches, forests and historic buildings is in easy reach.

# You're connected by road, rail, sea or air

The direct train from Faygate station arrives at London Bridge in just under an hour and Blackfriars a few minutes later. Or take the service to Horsham and connect with trains to Portsmouth and destinations along the coast.

There are regular bus services from the village to Crawley, Horsham and surrounding towns and you couldn't be better placed for road travel. The A264 connects you with the M23, M25 and national motorway network. Join up with the M20 for the channel tunnel, the M3 for Southampton docks or M4 if you're heading West.

With Gatwick so close, air travel is easy. Especially since Heathrow and Southampton airports are also within a straightforward drive. Yet maybe the best form of transport is to pull on your walking boots and explore the countryside or take to your bike and follow the trail through St Leonard's Forest, with a pub at the end of the route.

# Shared Ownership Explained

## Your essential guide to all things Shared Ownership with Legal & General

Shared Ownership could be your step onto the property ladder. This home ownership scheme allows you to buy a share in your home and rent the remaining share. Over time, you can buy more shares in your home until you own the full 100%.

### How does Shared Ownership work?

The Shared Ownership scheme is simple, you buy an initial share of between 40% and 75% (depending on the development) of the home's full value and pay a subsidised rent on the remainder. You may purchase further shares (up to 100%) as your circumstances change.

Your annual rent is charged at 2.75% of the residual value of your home, which is reviewed annually each April. This is capped at RPI (Retail Price Index) from September of the previous year + 0.5%.

### Am I eligible for Shared Ownership?

If you earn or have a household income up to a maximum of £80,000 (or £90,000 in London) per annum, you could be eligible. You can also use Shared Ownership to buy alone or with another person as long as your joint incomes don't exceed the maximum earnings bracket.

Some developments have eligibility or prioritisation requirements around where you live and/or work. Please speak to our Sales Consultant for further information.

### What other charges will be payable?

Your home will be subject to a management fee - this is a fee payable monthly to cover the administrative costs of Legal & General Affordable Homes and our

Management Provider. You will also be charged for the Buildings Insurance required to cover your home. Finally, all homes pay an Estate Charge which contributes to the maintenance of the wider estate, play areas or unadopted roads etc.

### Can I buy additional shares in the property?

Yes you can. This is known as 'staircasing'. When you buy more shares in your home, your home is re-valued and you buy shares at the current market value, at the time you are buying the shares. You can staircase up to 100% ownership.

### Is it cheaper than renting?

Shared Ownership can be cheaper than renting privately as the mortgage cost and low rent usually add up to less than the equivalent rental payments to a landlord.

### What if I already have a home?

If you already own a property you would need to have confirmed the sale of your home when you apply to buy via Shared Ownership.

Your application would be assessed based on your housing need for you to be considered for Shared Ownership.

### Will I need a deposit?

Yes you still need a deposit, but only on the percentage of the property you are buying. Mortgage deposits are typically 5% or 10% of the share value.

# A step by step guide to owning your own home

Find a Legal & General Shared Ownership property you'd like to buy and follow our step by step guide to turn your home-buying dreams into reality.

Enjoy your  
new home,  
your way

## People come first. It's been the Legal & General way for almost 200 years.

Legal & General began in a coffee house on London's Chancery Lane back in 1836. Almost 200 years later we are investing in new homes for all ages, social groups and housing tenures.

The shortage of housing in the UK, and high deposits required to buy a property outright, mean many people can't afford a new home. Our mission is to better people's lives by offering opportunities to those who need a helping hand. Whether it's a first-time buyer, young couple or growing family, it's important that everyone has a safe and secure space to call their own.

Our mission is to become the leading private affordable housing provider in the UK and to make a positive difference to the affordable housing sector. As a company, we have never stopped moving forward, but our position of being a byword for reliability, integrity and trust, is one we will never move from. That's why our key principles underpin everything we do:

**Quality** We aim to bring you the best possible experience in every aspect of your new home. That's in location, design, finishes, environment and, above all, value.

**Customer Service** We're committed to providing first-class customer service, from the moment you arrive to when you open the door of your new home.

**Sustainability** We work to minimise the environmental impact of what we do. That means reducing carbon emissions, using renewable materials and following sustainable design and building processes.
