^ CORONATION GARDENS

There is a strong beat to Leyton's urban pulse, and a wealth of open spaces that will draw you outdoors all year round. The buzzing plaza at Coronation Square for instance, brings a continental feel, enhancing the connections to Leyton's beautiful Coronation Park, while the wonderful local parklands and waterways are perfect to visit all year round. Coronation Gardens has been Leyton's civic park for over a century. Here you can enjoy the lawns and colourful summer borders, explore the maze near the rose garden, or find shade under one of the many mature trees. Its original bandstand now hosts performances by local musicians across a range of genres. Leyton's Saturday food market gathers here with stalls selling fresh-baked bread, brioche rolls and bagels, artisan coffee, and some of the capital's favourite street food from around the world.

THE CIVIC SQUARE – SOCIAL AND SUSTAINABLE

The new public square is a focus for Coronation Square and all Leyton residents. It's the place to visit both the outdoor market and the new market hall and enjoy the superb new amenities that line the square, or just sit and enjoy the surroundings.

PLAY AREAS TO ENGAGE YOUNG MINDS AND BODIES

The open spaces at Coronation Square have dedicated play places that children will love, from natural lawns to equipment designed for imaginative play. There is also outdoor table tennis and a water feature to bring a big splash of extra fun.

HIGH QUALITY LANDSCAPING – PEOPLE, PLANTS AND PUBLIC OPEN SPACE

Coronation Square has been designed by those with a talent and a passion for landscaping, and there's a rich biodiversity in the shrubs, wildflowers and habitats landscaped into the development. Nowhere can it be more appreciated than when sitting or engaging with friends at the communal benches and tables.

NHS HEALTH HUB AND PHARMACY

A modern, purpose-built health centre for the Coronation Square neighbourhood with handy pharmacy providing treatment and consultation for all registered residents.

PRE-SCHOOL NURSERY AND PRIVATE PLAY AREA

This purpose-built nursery on the Square is in a car-free zone to make drop-off and collection safer. There will be plenty of buggy parking for mums or dads while the children enjoy fresh-air play in the nursery's own private outdoor area.

SPORTS CENTRE

With a ground-floor café opening onto the Square, the Sports Centre is equipped with first-floor studios for exercise and dance classes, and multipurpose courts for badminton, basketball, five-a-side and gymnastics. This is the perfect place for future Olympic champions to develop their skills.

Choose a home that suits you

Designed from the start to complement its surroundings in every way, Coronation Square brings its own contemporary style and feel to Leyton. Using London Brick, an icon of the capital's streets, Coronation Square's red brick façades are contrasted with white bricks for a fresh new look.

Inside each home, whether you choose a 1, 2 or 3 bedroom apartment, you'll find a thoughtfully designed living space. Over half of the homes at Coronation Square have open views with dual-aspect rooms inviting the sunlight in.

You can also relax on your own balcony or terrace, and look out across garden courtyards at ground or podium level.

What is Shared Ownership?

Shared Ownership offers you the chance to buy a share of a home and pay rent on the remaining share.

With Shared Ownership, you start by buying a share in your home, between 25% and 75% of the full value. Your deposit is based on the share you buy, not the full value. You will pay a mortgage on the share you own and pay rent to Sage on the share you don't own. As and when you can afford to, you can buy greater shares in your home, up to 100%. This is a process called staircasing.

Shared Ownership is a great option if you can't quite afford the mortgage on 100% of a home or don't have a large deposit that buying outright often requires.

Visit our website sagehomes.co.uk/sales/listing/coronation-square to find out more and check out our affordability calculator and see how Shared Ownership can work for you.

Who are Sage Homes?

Sage Homes provide good quality affordable housing across England. We work with the largest house builders to offer brand-new housing for Shared Ownership (part buy, part rent) and low-cost rental homes.

We have handed over the keys to over 9,000 homes since 2017. We are on track to achieve our target of providing 30,000 new affordable homes by 2030. Helping us make sure there is more housing available and within reach of as many people as possible.

Our customers are at the heart of our business, and we're always looking for new ways to provide good service in great homes. We are a registered provider of social housing and became an investment partner of Homes England in 2019, enabling us to offer grant funding for affordable homes.
