A VIBRANT AND ICONIC COMMUNITY

Beyond its iconic stadium, Wembley has so much that makes it a place you want to call home. Voted London Borough of Culture in 2020, Brent Council is supporting Wembley's emerging arts scene through a significant regeneration programme. Affordable artists' studios and workshops are nurturing up and coming creative talent and the Troubadour Wembley Park Theatre runs a National Theatre Programme. Wembley Park hosts a free public art trail and 'The Yellow', a contemporary village hall space, hosts a regular series of complimentary events, from yoga to art classes.

Boxpark Wembley is a location in its own right, with 24 of London's most exciting food and drink vendors offering everything from vegan to Vietnamese. The area's South East Asian heritage means it offers some of the best Indian cooking in London, with the Ealing Road renowned for its curry restaurants.

London Designer Outlet is home to a vast array of high street and designer brands. For day to day shopping, a range of local supermarkets are all reachable within just a few minutes' walk.

While the last few years have seen huge regeneration and investment in Wembley, there is still more to come. The London Borough of Brent is just half-way through its 10-year vision plan for Wembley. Now is the time to join this exciting journey.

10 REASONS TO LOVE ARC

1

Convenient commuting

Arc is well located beside Wembley Stadium overground station with trains running to London Marylebone in just 9 minutes. Or you can take the tube from Wembley Park station (Zone 4). For cyclists there is bike storage at Arc.

2

Sustainable future

To ensure energy efficiency within the building we have upgraded insulation standards. To maximise energy savings we have installed 100% low energy lighting across the development. To promote biodiversity we have installed green roofs, with native species of plants and brown roofs to allow space for colonisation from windblown seeds.

3

Shared Ownership

Sovereign Network Group has a wealth of experience delivering homes to enable people to start on the property ladder.

4

Staircasing

Did you know that once you have bought the initial share of your Shared Ownership home you can buy further shares? The greater the share you own in your home the less rent you will pay. If you Staircase to 100% ownership you become an outright owner and will no longer have to pay rent to Sovereign Network Group

5

Ready to move in to

Everything is brand new, with neutral colour tones, fitted appliances and flooring, moving has never been so easy.

6

On trend

The development has been designed by Haworth Tompkins Ltd. The connection between natural light and wellbeing has been taken into consideration and the apartments have been thoughtfully constructed to be light and welcoming.

7

Community

The Yellow is Wembley Park's community centre with a vibrant twist. It has a jam-packed calendar with workshops, clubs and classes covering a wide range of topics from yoga to cooking classes, film nights to coffee catch ups, there is something for everyone!

8

Saving with SNG

Shared Ownership means you can make the leap into home ownership. With a share from as little as 25% you can start putting your mark on a brand-new home. You also pay rent, which is initially capped at a maximum of 2.75% on the part owned by SNG. A service charge is payable per month. The service charge details will be provided during the sales process, but primarily this is the cost the Landlord incurs for maintenance and repairs of the communal services communal areas and building insurance.

9

Car Club Membership

Residents will receive a two-year car club membership for free when they buy at Arc. Zip Car is in operation at the Brent Civic Centre which is just a 10-minute walk away.

10

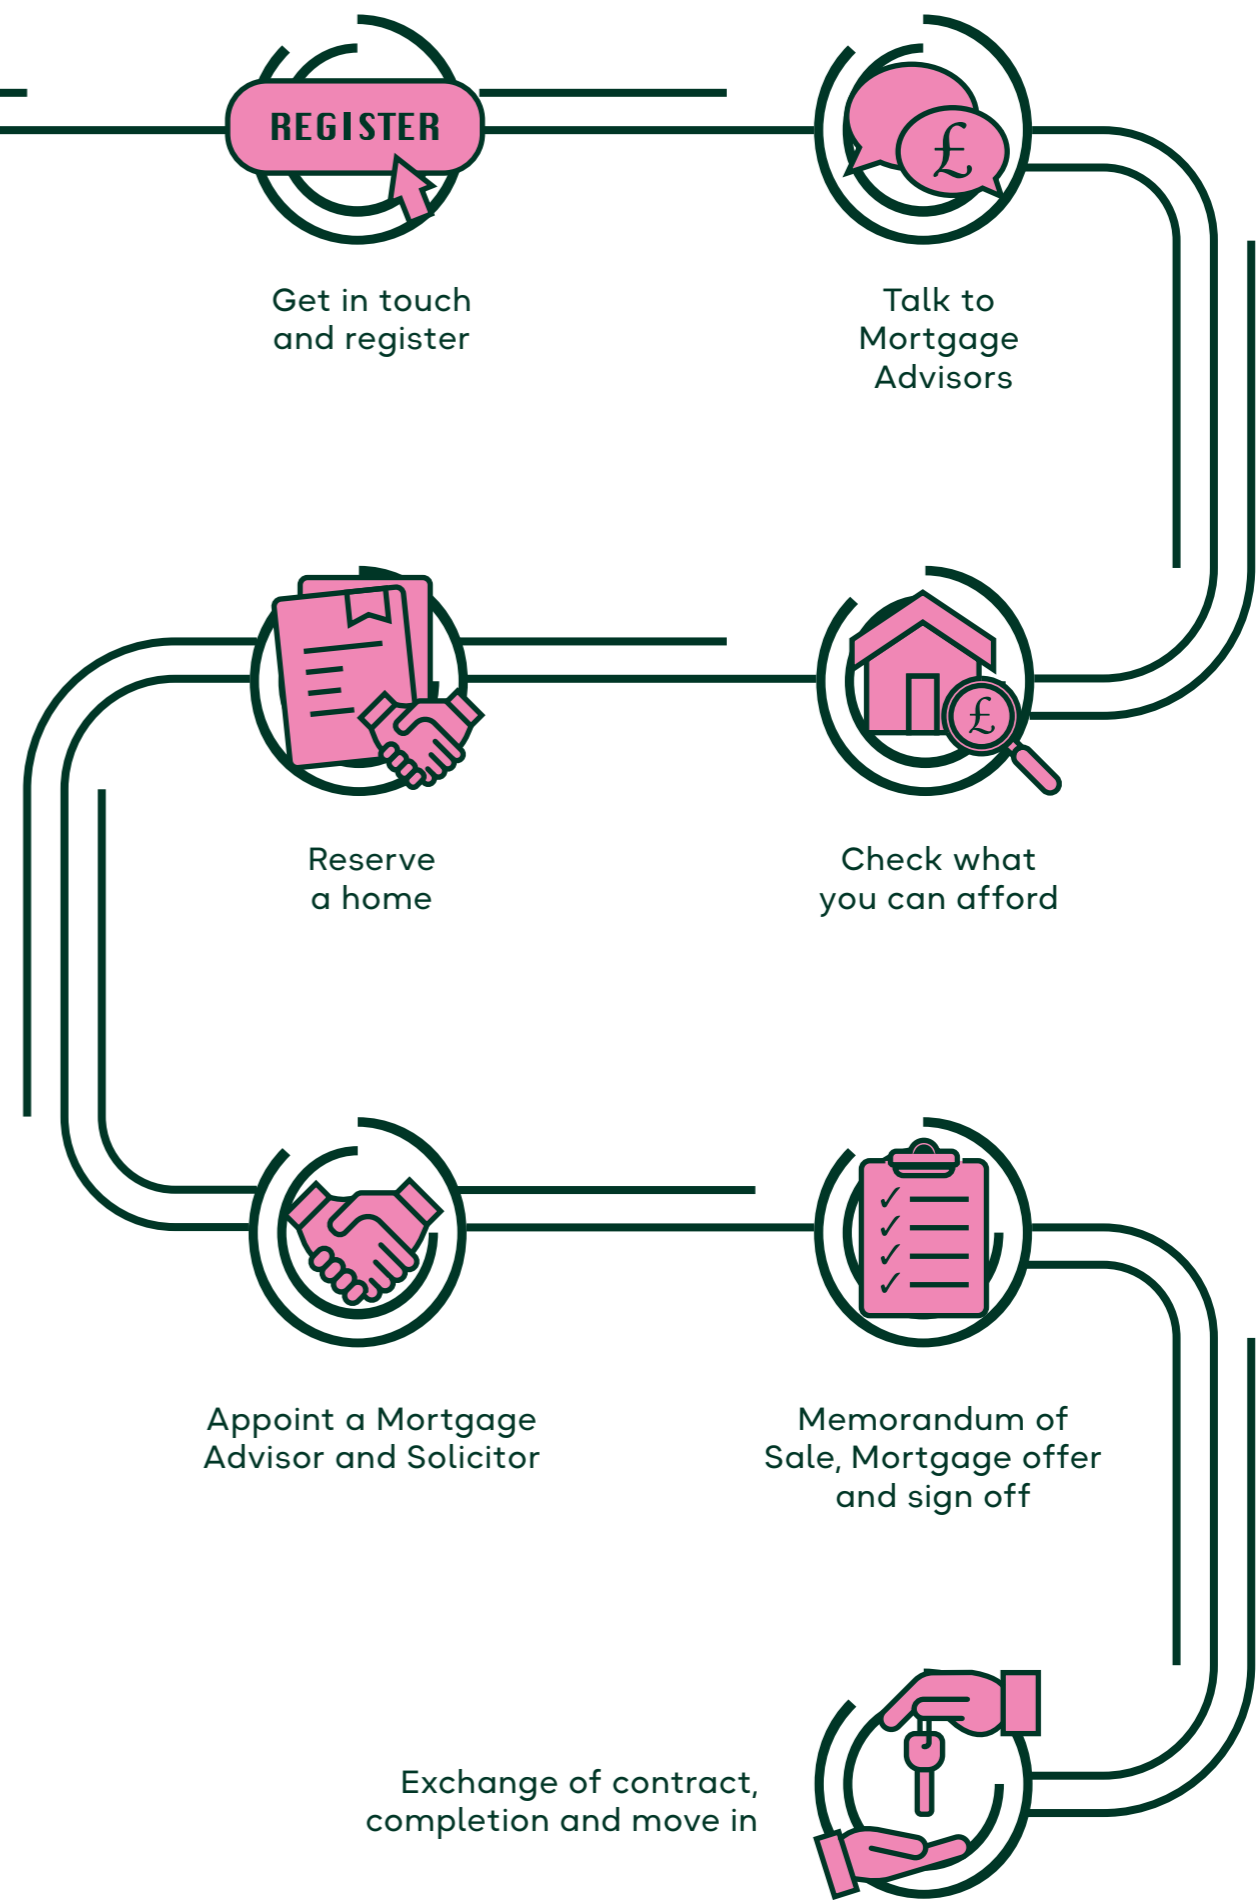

Parks and green space

Nearby King Edward VII Park and Sherrins Farm Open Space offer excellent sports facilities, as well as green space for walks and picnics.

HOW SHARED OWNERSHIP WORKS

Shared Ownership at Arc gives you the opportunity to buy a share of your new home, starting at 25%, or more depending on what you can afford. The rest is owned by Sovereign Network Group and you pay a subsidised rent on this portion in addition to your own mortgage. There will be a service charge payable to cover the cost of communal maintenance and this includes the buildings insurance. Priority will be given to people who live or work in the London Borough of Brent.

You will need to have savings to cover any deposit required by your mortgage lender and the costs involved in moving. When you can afford to, you can take your next steps and increase the share you own; this is known as 'staircasing'. The cost of the additional share that you buy will be based on the current market value of your home.
