MODERN HOMES

YOU'LL LOVE

Step through the front door and you'll instantly feel right at home in your new Park East apartment.

Fully fitted kitchens have a contemporary finish, while the well-designed and flexible open plan living space is perfect for entertaining, family fun and working from home.

Large balconies let light flood in and extend your living space to the outside.

Bathrooms also have a smart modern look, and bedrooms offer peace and quiet, with storage keeping everything neat and tidy.

WHERE EVERYONE IS WELCOME

Park East is designed for people of all ages, backgrounds and lifestyles – a real community that thrives on diversity and brings everyone together.

It is building on the success of neighbouring Erith Park, which won the prestigious London Regeneration Project of the Year award, and is home to a nursery, community hub and a large play and leisure area.

There are two ways that you can make your home at Park East: Private Sale, where you buy your home and own it completely; or Shared Ownership, where you purchase a proportion of your home. This can be a more affordable way to buy your own home and can be tailored to suit your circumstances. Whichever option you choose, all homes are finished to the same high specification. This mix of tenures has successfully created a flourishing community at Erith Park, as current residents can testify.

No matter how you buy your home, everyone at Park East will be able to enjoy a fantastic place to live, and share the pleasure of meeting new people and making new friends.

"We've benefited from the security of being settled in a lovely home in a pleasant area. The reduced rent helped us to save and buy the home we loved."

– Ebele, Erith Park resident

"Of all the places I've lived, this part of Erith has always been where I've felt most at home. People are friendly and look out for each other, and it's such a convenient location."

– Jeanette, Erith Park resident
