A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

SUDS

SUDS

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Earl's Grange.

Half a mile from the M54, less than 30 minutes' drive from Wolverhampton and 45 minutes from Birmingham, Earl's Grange is perfectly located for travel throughout the midlands. Direct train services from Telford Central run to Holyhead, Chester, Shrewsbury, Wolverhampton and Birmingham International. Wolverhampton is less than 20 minutes away by rail, and Birmingham New Street is a 40 minute trip. National Cycle Route 81, from Shrewsbury to Wolverhampton, runs through the development.

A farm shop a few yards away complements a Co-op food store and a pharmacy at Priorslee Farm Local Centre, 20 minutes' walk away. The National Cycle Route provides a pleasant walk to the local shops, pubs and restaurants of Houghton and Shifnal. With their traditional ambience, the villages offer a pleasant counterpoint to the modern shops and amenities of Telford.

Telford town centre presents a comprehensive choice of high street shops, supermarkets and restaurants. The Forge Retail Park includes a Nuffield Health gym and swimming pool, and the Telford Centre hosts a wealth of leisure and fitness facilities, including a fully-equipped Puregym, Odeon and Cineworld cinemas, an ice rink with a soft play area, a bowling alley and an inflatable park.

Welcome home

Offering easy access to Shrewsbury, Wolverhampton and Birmingham, and within two miles of both the exciting modern amenities of Telford and the traditional village of Shifnal, this attractive neighbourhood of energy efficient two, three and four bedroom homes offers strategic convenience in a peaceful setting. Straddling National Cycle Route 81, with beautiful lakes and wildlife habitats nearby, it combines the best of urban and natural environments. Welcome to Earl's Grange...

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

your home
your way...

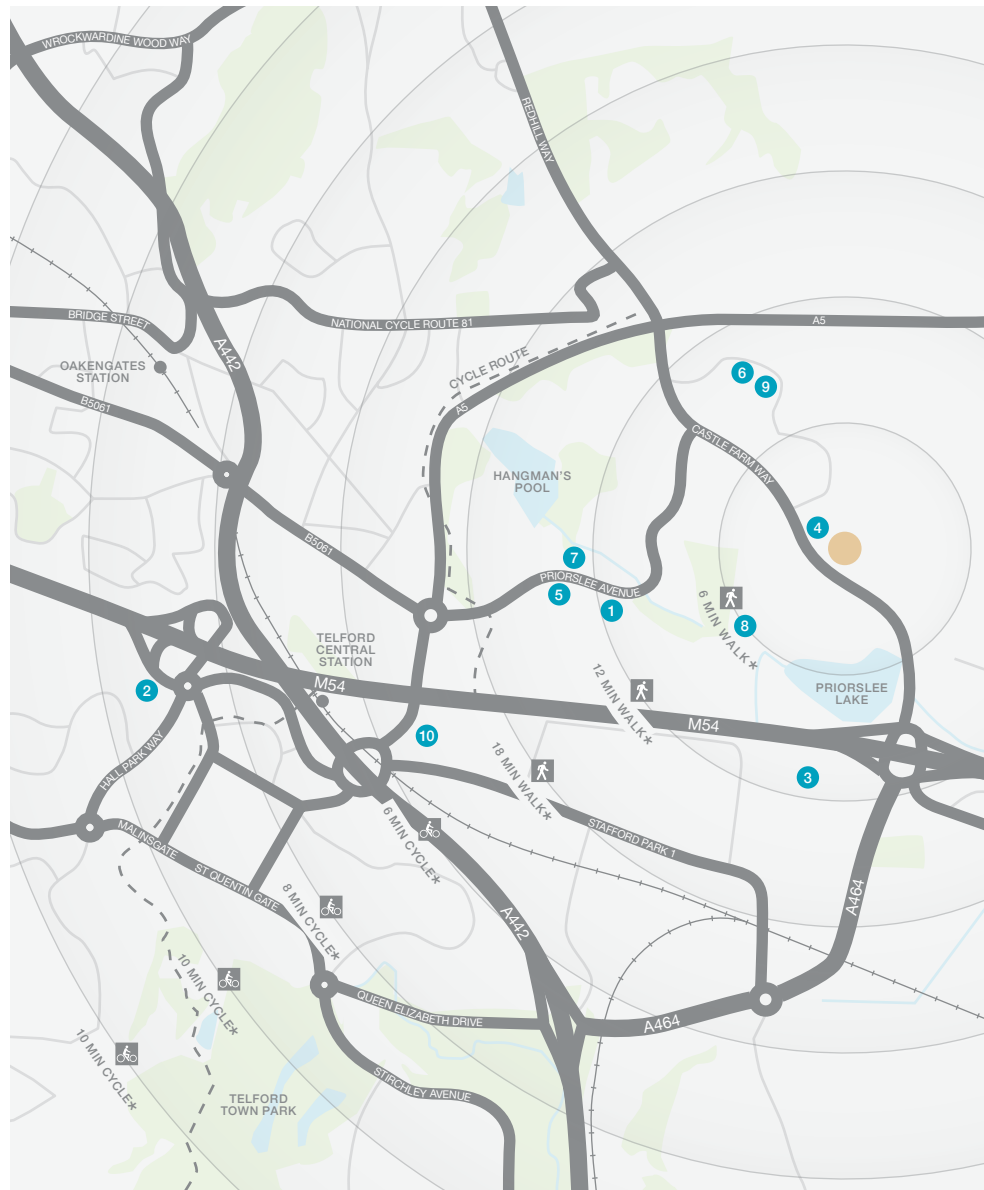

There are many superb outdoor amenities in easy reach, both close to Earl's Grange and in Telford town centre. Priorslee Lake, a few yards away and the home of Telford Sailing Club, is also popular with anglers and bird watchers. There is a second nearby fishing lake at Hangman's Pool. Telford's magnificent, award-winning town park contains more than 14 miles of paths connecting nature reserves, play and adventure areas, pools, lakes and formal gardens. There are several golf courses around the town, the nearest being the Shropshire Golf Course and the beautiful par 71 course at Shifnal Golf Club. Shropshire Hills AONB and Ironbridge Gorge World Heritage Site lie to the west and south respectively.

Leapfrog Day Nursery is situated next to the Co-op at Priorslee Farm Local Centre, and Earl's Grange is in the catchment areas for Redhill Academy and Priorslee Academy primary schools and Holy Trinity Academy secondary and sixth form. All are less than 15 minutes' walk away, and all three are assessed as 'Good' by Ofsted. Shifnal and Priorslee Medical Practice is the nearest of two local health centres.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

90 years of miller homes

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
