DISCOVER YOUR NEW LIFESTYLE WITH CHURCHILL...

SAY GOODBYE TO MAINTENANCE

Maintaining a large house and garden could soon be a thing of the past, as the communal maintenance and upkeep of the development including the gardens are all taken care of for you. All those irritating, time-consuming jobs like window cleaning are now someone else's problem. Your new low maintenance lifestyle will mean more time for you to enjoy doing the things you love.

OFFERING PEACE OF MIND

Owners have the huge advantage of a 'lock up and leave' lifestyle enabling them to simply lock up and leave their apartment in safe hands for weekends away and holidays.

Your Lodge Manager will always be on hand, and safety and security is of paramount importance to us. Living in a Churchill apartment means you'll be able to close your front door in complete confidence knowing that your apartment will be safe. What's more, Owners often find they are closer to friends and family, who can also benefit from the peace of mind that comes with a Churchill apartment.

RELAX, YOU'RE IN SAFE HANDS

We have won numerous awards for our Customer service and the way we operate, so it's fair to say we put our Customers at the heart of everything we do. With over 90% of Customers saying they would recommend us to a family member or friend (*Home Builders Federation (HBF) Customer satisfaction survey*) it's no wonder we are seeing more happy Owners enjoy their new Churchill lifestyle.

BY MOVING TO A CHURCHILL APARTMENT YOU COULD...

Keep moving

All Churchill developments are close to the town centre or local amenities so Owners find it's easier to get out and about and stay active in their retirement.

Stay social

Friendly like-minded neighbours, and the ability to socialise as and when you want means there's always something going on.

Be happy

An average person aged 80 feels as good as someone 10 years younger* after moving into a retirement development.

Typical Owners' Lounge

FEEL SAFE & SECURE

SIMPLY SIT BACK, RELAX AND ENJOY YOUR RETIREMENT

We take the time to consider the little details; the ones that often make the biggest difference.

We fit all of our apartments with a careline support system. This is connected to a 24-hour support service, so in the event of an emergency, you have direct contact with either the Lodge Manager, or a member of the call-centre team, 24 hours a day, 365 days a year.

The system provides video door entry with a standard TV, allowing you to view any visitors on your TV before you choose to let them into the main entrance. An intruder alarm is fitted protecting the front door of your apartment, while ground floor apartments have additional sensors fitted, giving you that extra peace of mind. Fire and smoke detectors are fitted in communal areas and within your apartment, so you really feel safe and secure.

The welcoming Owners' Lounge is home to a variety of events, and is a popular spot for a catch up with your neighbours and friends, or for settling in a quiet corner to enjoy a good book. We have a programme of events which include an array of social activities. From cheese and wine evenings to keep fit classes, there is something for everyone.

Each Lodge has a Guest Suite which Owners can book for friends and family who wish to stay overnight, meaning no worries about making up the spare room.

In a recent survey 85% of Customers gave Churchill 8 out of 10 or higher for their "overall moving experience"

Independent research has shown that moving to a Churchill apartment can make the average 80 year old feel 10 years' younger.

So what better time is there than now to sell your old home and choose Churchill?

INTRODUCING YOUR NEW APARTMENT

WELCOME TO YOUR NEW LIFESTYLE

All of our developments are designed with you in mind. Your own front door gives you privacy when you want it, but a communal Owners' Lounge opens up a whole new social life with like-minded neighbours when you wish.

FEATURES

Shower rooms feature low-level shower trays and easy turn taps, while kitchens include a waist-height oven, hob and washer/dryer as standard. You'll find a selection of apartments featuring a walk-in wardrobe in the bedroom and open space in the living room, giving you flexibility with furnishings.

Two bedroom apartments feature a separate WC or an en-suite, while the second bedroom can also serve as a dining room, home office or a guest room - the choice is yours. Both one and two bedroom apartments include space for storage which is specific to each apartment.

The development is heated via a communal ground source heat pump system, which harnesses the ambient energy within the underlying ground and converts it in a very efficient way. These systems are able to produce more energy than they consume and provide lower running costs of heating and hot water.

Beautifully landscaped grounds are all maintained for you and are ideal for enjoying a cup of tea with the neighbours, or doing a spot of gardening. What's more, there is a Lodge Manager on hand to manage the Lodge and ensure everything is running smoothly.

“

From the Lodge Manager, to friendly neighbours, life at Churchill is more than just a retirement apartment.

LOCATION IS EVERYTHING

EVERYTHING YOU NEED ON YOUR DOORSTEP

St Andrew's Lodge is a delightful development of 45 one and two bedroom retirement apartments located in the historic market town of Chippenham and named after the 12th century St Andrew's Church in the Market Place.

Nestled on the banks of the River Avon, between the Cotswolds and North Wessex Downs Chippenham is a vibrant and colourful market town. The town's pedestrianised compact centre is home to a good selection of shops and amenities including Emery Gate shopping centre and Borough Parade where you will find a wide selection of High Street brands alongside an eclectic mix of independent boutiques. On Fridays and Saturdays colourful street markets offer a variety of traditional and modern stalls.

Chippenham has a wealth of beautifully maintained parks and open spaces including John Coles Park with its mature trees, flower beds and Victorian Bandstand which hosts regular concerts throughout the summer.

The surrounding area boasts some of the country's greatest houses and historic villages including Lacock, a quintessential English village with picturesque streets, historic cottages and Abbey; Dyrham Park, a baroque country house set in an ancient deer park; and Longleat, home to the UK's original Safari Park, an Elizabethan Stately Home and host of the annual Festival of Lights, with stunning giant Chinese lanterns through the park.

AWARD WINNING PROPERTY MANAGEMENT

SERVICE YOU CAN TRUST

All Churchill developments are looked after by Millstream Management Services, our own property management company. The Lodge Manager takes care of the day-to-day running of the development. They can answer any queries and help keep an eye on your apartment if you go away. Many of our Owners see their Lodge Manager as a friendly neighbour they can call upon, and someone who is there to offer a helping hand, should they need it.

The Lodge Manager is fundamental to ensuring our Owners enjoy an active social lifestyle. They are responsible for helping to facilitate a variety of events and activities so there is always something for the Owners to get involved with.

A TRANSPARENT APPROACH

We are completely transparent when it comes to costs with no hidden charges, so you don't have to worry about unexpected bills. Our Sales team will be able to give you a breakdown of specific charges, so that you can see exactly how much everything costs.

Your service charge includes hot water in your apartment, general heating, water and sewerage charges, buildings insurance, garden maintenance and window cleaning. It also includes many things that you would ordinarily pay extra for, such as the 24-hour support system, the furnishings, heating and cleaning of the Owners' Lounge and the services of the Lodge Manager.

Churchill does not charge a transfer or exit fee if you sell or sublet your property. On resale 1% of the gross sale price or 1% of the open market value if subletting is payable by way of contribution to the Contingency Fund, which is held on behalf of Owners towards longer term repair and replacement costs.
