Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Simpson Park.

Situated just three miles from junction 34 of the A1(M), 20 minutes' drive from Doncaster and a little over half an hour from Sheffield, Harworth is linked with Worksop and Doncaster by buses that stop a few minutes' walk from Simpson Park. The development is named in honour of one of the UK's greatest ever cyclists, Tom Simpson, who was born in the town. His many achievements are marked by a memorial stone near the entrance to the development.

Access to shops and services is outstanding. As well as a large Asda supermarket on the edge of the development, nearby Scrooby Road contains a post office, a family butcher, convenience and food stores, hairdressers, a choice of food takeaways and the local library. Further along, there is a large Aldi supermarket and a home and garden discount store. All of these are within half a mile of Simpson Park. The Blacksmith's Arms pub in Main Street complements the wide choice of cafés, restaurants and pubs in easy reach in the many surrounding towns and villages. The Phoenix Theatre in Bawtry, two miles away, is the home of a local amateur dramatic society. It also hosts a film society and folk and blues evenings.

Welcome home

Bringing an exciting new neighbourhood into the small, semi-rural community of Harworth and Bircotes, ten miles from Doncaster and around 20 miles from Sheffield, this attractive selection of energy efficient three and four bedroom homes has an outstanding choice of amenities, shops and services within a few minutes' walk. Less than three miles from the A1(M) it combines convenience with peaceful surroundings, creating a special place to put down roots. Welcome to Simpson Park...

The Miller Difference

your home your way...

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

Leisure amenities include Bircotes and Harworth Sports Pavilion on the edge of Simpson Park which, as well as providing sports facilities, hosts family days such as those organised by Harworth and Bircotes First, a voluntary group that organises community events. Bircotes Leisure Centre, ten minutes' walk away, incorporates a 20m swimming pool, cardio machines, a cycle studio, sports courts and a sauna, and Styrrup Hall Golf and Country Club, the nearest of the two local golf courses, also offers dining for non-members.

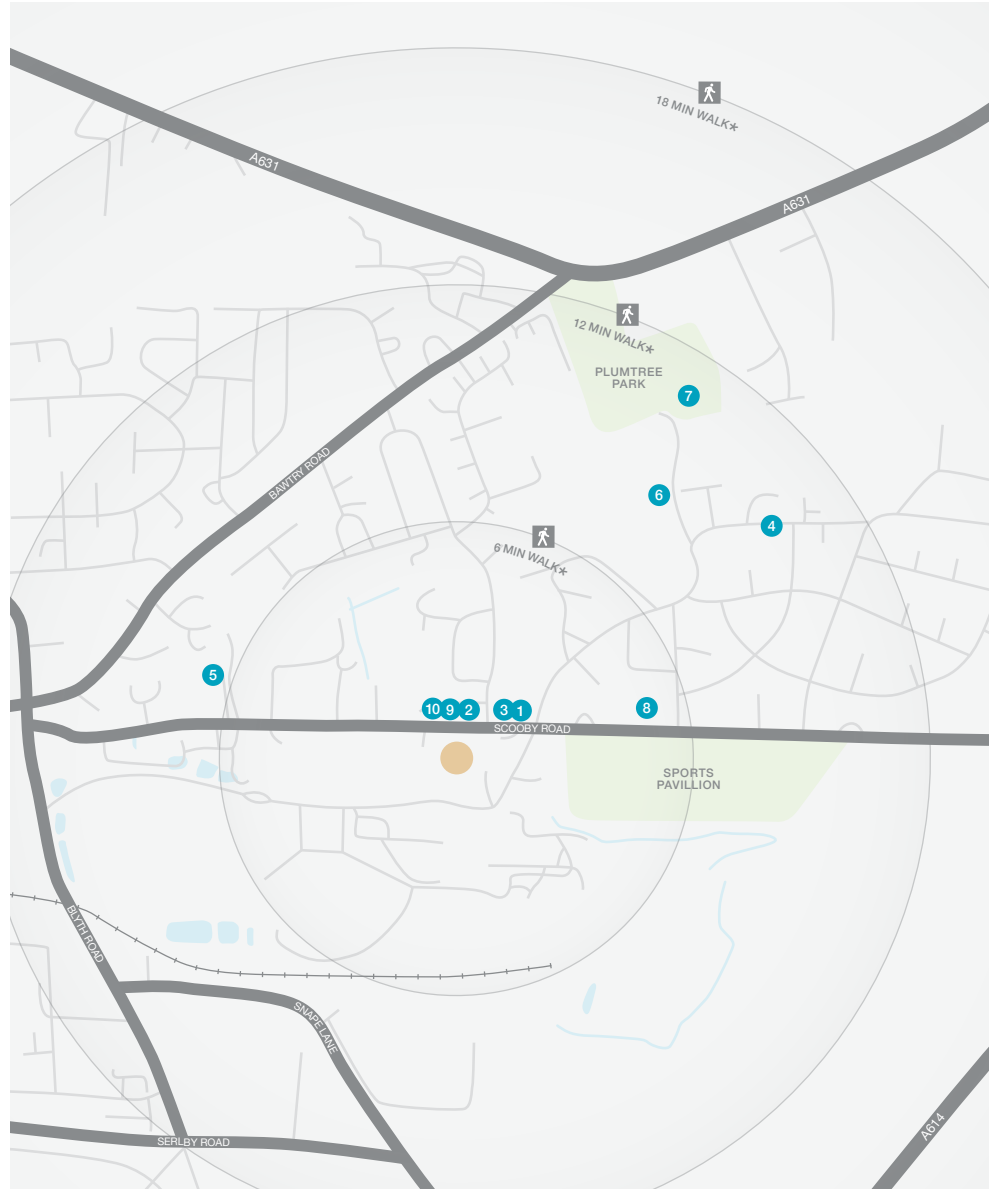

There are two nurseries and three schools within approximately half a mile of Simpson Park. The two primary schools, Harworth C of E Academy and St Patrick's RC Primary, and the high school, Serby Park Academy, are all assessed as 'Good' by Ofsted. There is also a full range of health services virtually on the doorstep. Harworth Primary Care Centre in Scrooby Road, which houses three GP practices including the Tickhill and Colliery Medical Practice, has an adjacent pharmacy. Robinson's dental surgery is only a few yards from the entrance to the development, and an optician, Woolcott's, can be found a little further along Scrooby Road.

Useful Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
