“

We know we are not just building houses; we are creating the most important spaces in people's lives and the places customers will love to live now and throughout the years ahead.

ALL ABOUT HOMES BUILT ON SOLID VALUES

We have never expected more from our home than we do today, from its energy-efficiency and environmental impact, to the different roles it is asked to play in our life. What has remained constant however is the central importance of our home, a place where we re-energise and unwind, increasingly work in - and where families grow. So, at Allison Homes we know we are not just building houses; we are creating the most important spaces in people's lives and the places customers will love to live now and throughout the years ahead.

That's why we ensure an Allison home is something exceptional. Our breadth of experience meets a forward-thinking outlook, and we listen to customer feedback and benefit from the insight and passion for homes of our 200 strong team. Then we design and build the best homes we can for modern, evolving lifestyles. We look at the familiar in a new light too, from redrawing kitchen designs for flexibility to work from home, to transforming underused space like garages for multi-use whether it's for storage, an office or a gym. And we always ensure living areas are a balance between that all-important family space and private space for everyone.

Once you have chosen your home, we understand delivering it on time and to the highest quality matters. Which is why, from site managers to suppliers, we work only with those who share our values of commitment and pride in the job. ALL ABOUT FEELING AT THE HEART OF GOOD CONNECTIONS

Buckland Brewer sits between two major road links, the A386 to Plymouth, and A39 'Atlantic Highway' which adjoins the A361 'North Devon Link Road' leading to further links via the M5 motorway.

More locally, public transport provides routes to Bideford Quay and Barnstaple via the Stagecoach 372 service and the Barnstaple-Exeter 'Tarka Line' is located to the east of Buckland Brewer and can be picked up from Umberleigh (13.9 miles) where trains pass every hour.

For those wanting to view the beautiful North Devon countryside by bike or foot, The Tarka Trail is the perfect day out. It's one of the country's longest continuous traffic-free walking and cycling paths and is ideal for families.

Regional Exeter airport is the closest international link, located 53.6 miles away and offers a wide choice of destinations from Lapland to Lanzarote with new seamless transatlantic connections via Dublin.

Distances represent quickest routes by road. Information from Google Maps. Information correct at time of print.
