## AN INSPIRED **NEW HOME**

Explore what makes this  
collection so unique

We're dedicated to designing and building homes with character that people are proud to live in. Inspired by the past but designed for the future, this collection offers the best of both worlds.

# WHAT MAKES THIS COLLECTION SO UNIQUE?

Our aim has always been to build homes of the highest quality, reflecting the craftsmanship and details associated with the Arts and Crafts movement. It's this, combined with the modern, high end interiors we pride ourselves on, that makes this award winning collection so enviable.

Every inch of our homes has been carefully considered, from features such as traditional porches supported by timber posts with gallows brackets to brick plinths that run the whole way round the property. These features add grandeur and depth to the front of the home and provide an anchoring effect.

## SPEND MORE TIME **TOGETHER**

Sittingbourne combines the history of an ancient Kent town close to the coast, with excellent road and rail connections speeding you directly into the heart of modern London in approximately 1 hour.

Located just to the West of town, Regent Quay is close to a wide range of shops and stores for everything from your weekly groceries to that weekend treat. The Forum Shopping Centre is the cornerstone of Sittingbourne town centre, with Sittingbourne Retail Park home to a further collection of stores and leisure outlets.

For a change of scenery the nearby towns of Canterbury, Maidstone and Faversham all have something different to offer, plus of course the bright lights and flagship stores of London's Oxford Street are just an hour's train ride away, and Bluewater Shopping Centre a half hour drive away.

## ENJOY A HEALTHY LIFESTYLE

Regent Quay is approximately a mile from the swimming and sports facilities of Swallows Leisure Centre, and there are several good quality golf courses within easy reach, including Sittingbourne and Milton Regis Golf Club, Upchurch River Valley Golf Club and Sittingbourne Golf Centre. There's also a good selection of provincial theatres in the nearby towns.

For some fresh air, take a stroll through the Kent Downs, ride the Sittingbourne and Kemsley Light Railway along Milton Creek, or enjoy some traditional seaside fun at popular coastal towns such as Herne Bay or Whitstable

# MORE OPPORTUNITIES

Parents will be pleased to find a range of well-rated schools where children can begin and continue their journeys in education.

Canterbury Road Primary Academy and South Avenue Primary School are both rated 'Good' by Ofsted, while the Sittingbourne School, also rated 'Good', Borden Grammar School and Highstead Grammar school are also close by and will cater for older pupils.

For higher education, the University of Kent in Canterbury is around half-an-hour away in the car and offers a wide variety of degree courses.

# LESS TIME TRAVELLING

Regent Quay is the perfect compromise for commuters, with Sittingbourne Train Station being approximately a 10-minute walk away where trains to London St Pancras depart every 30 minutes, with a travel time of approximately 1 hour.

Sittingbourne also enjoys excellent road links, with the M2 and M20 both within easy reach and the A2 passing right through the town. Gillingham, Faversham and Maidstone sit around the compass to the West, East and South respectively, all within an approximately ten miles drive, while Canterbury is a little further at approximately 24 miles. London is approximately 45 miles by car, but far easier to reach by rail.

# OUR REQUIREMENTS AS HOME-BUILDERS

## The New Homes Quality Code: Statement of Principles

This **Statement of Principles** (the core principles) sets out the main principles which registered developers agree to follow to benefit their customers.

### 1. FAIRNESS

Treat customers fairly throughout the buying and after-sales process.

### 2. SAFETY

Carry out and complete work in line with all regulations and requirements that apply to the new home, as set out by the Government, and have the necessary certificates from an appropriately approved body to show they have done this.

### 3. QUALITY

Complete all work to a high standard in line with all building and other standards and regulations that apply, as well as to the specification for the new home, and make sure that completion does not take place until the new home is complete (see section 2 of this code).

### 4. SERVICE

Have in place systems, processes and staff training to meet the customer service requirements of the code, and not use high-pressure selling techniques to influence a customer's decision to buy a new home.

### 5. RESPONSIVENESS

Have in place a reliable after-sales service and effective complaints procedure to make sure responses to customer queries are clear, thorough and provided in good time.

### 6. TRANSPARENCY

Provide clear and accurate information about buying the new home, including tenure and any costs the customer may have to pay in the future, such as ground rents and service charges.

### 7. INDEPENDENCE

Make sure that customers know they should appoint independent legal advisers when buying a new home and that they have the right to ask for an independent pre-completion inspection before completion takes place.

### 8. INCLUSIVITY

Take steps to identify and provide appropriate support to vulnerable customers and make sure the code is available to all customers, including in appropriate formats and languages.

### 9. SECURITY

Make sure there are reasonable financial arrangements in place, through insurance or otherwise, to meet all their obligations under the code, including repaying deposits when they are due and any financial awards made by the New Homes Ombudsman Service.

### 10. COMPLIANCE

Meet the requirements of the code and the New Homes Ombudsman Service.
