# Introducing Jubilee Central

This new collection of homes features two, three, four and five bedroom houses, a selection of which border Gregory Park, Kingsley Wood or Kingsley Park, offering views across green open spaces.

Clever landscaping, careful planting of new trees and beautiful street scenes all come together to make Jubilee Central a special place to call home.

In its 24th year, this family-owned and operated company has grown to establish itself as the UK's second-largest privately-owned housebuilder, with an impressive and diverse portfolio of projects ranging from landmark, mixed-use regenerations, and inner-city apartment developments to homes in rural communities.

Employing over 800 staff, the company operates from six strategically located regional offices, with its head office based in Waltham Abbey, Essex.

Hill anticipates completing over 3,000 homes by the close of its current financial year and has a controlled land bank with planning consent for over 8,500 units. Around half of its portfolio is in joint ventures to deliver a range of mixed-tenure developments, reflecting Hill's commitment to partnerships with government, local authorities, housing associations, and private clients.

Since the company was founded in 1999, Hill has won over 500 industry awards, including the esteemed titles of WhatHouse? Housebuilder of the Year in 2015, 2020, and most recently in 2023, when it also won the Best Large Housebuilder accolade in its first year entering the category. Rubicon, Hill's innovative and beautifully designed development at Knights Park in Eddington, Cambridge, has been recognised with four prestigious WhatHouse? Awards in 2023, including

gold awards for Best Development and Best Exterior Design. Rubicon also won Best Design for Four Storeys or More at the 2023 Housebuilder Awards. The Beech, a stunning contemporary home at Marleigh, won the Best Family Home award at the Evening Standard New Homes Awards 2023 and silver in the Best House category at the WhatHouse? Awards in the same year.

In addition, Hill's dedication to delivering the highest quality homes and exceptional customer service has earned the housebuilder its 5-star status in the Home Builders Federation's annual Customer Satisfaction Survey for the past six years.

The Hill Group is donating 200 fully equipped modular homes to local authorities and homeless charities as part of a £15 million pledge through its Foundation 200 programme, launched in 2019 to mark Hill's 20th anniversary.
