AN INSPIRED NEW HOME

Explore what makes this
collection so unique

This exciting new development situated in the heart of the garden city features an impressive collection of modern 3 & 4 bedroom homes, combined with a friendly atmosphere that compliments the calming and natural surroundings, Stonehaven Park is surely not one to be missed.

WHAT MAKES THIS COLLECTION SO UNIQUE?

Stonehaven Park forms part of the collective development known as Whitecliffe at Alkerden Village in Ebbsfleet. A collection of some 500 homes with plans for a market centre focal point comprising commercial, retail and community facilities, including public open spaces, a purpose built supermarket, an education campus, community buildings and sports facilities. An urban park will connect the cliffs to the

south of the Quarry to Craylands Gorge in the north, providing access to a variety of landscapes with both recreational and ecological benefits, and a series of lakes will provide a stunning wetland habitat. With a friendly ambience that complements the natural, charming surroundings, Stonehaven Park looks set to become one of Redrow's most popular developments to date.

ENJOY THE **AREA**

The development is close to an abundance of other local amenities with the iconic Bluewater Shopping Centre just a short car journey away. This spectacular attraction has more than 300 outlets, including an A to Z of household name stores, with a good number of cafés, coffee shops and restaurants too. Film fans can also catch all the latest blockbusters at the centre's 10-screen cinema.

ENJOY AN ACTIVE LIFESTYLE

Those who enjoy spending time outdoors will feel right at home, with the amazing number of green open spaces, parkland, picturesque white cliffs, and a series of lakes right on your door step.

OPPORTUNITIES FOR LEARNING

Parents of growing families will be pleased to find education options for youngsters of all ages close to Stonehaven Park. The Alkerden Education Campus will be located in the heart of Ebbsfleet Garden City and will have a primary and secondary school, lying in extensive grounds with five football pitch-sized playing fields. There are several other primary schools nearby with the Cherry Orchard Primary School and the new Ebbsfleet Green Primary school which opened in September 21. There is also the Manor Community Primary School which also has an adjoining nursery, while Ebbsfleet Academy is a secondary school catering for children from Year 7 upwards.

GETTING AROUND

Set mainly in the borough of Dartford and offering fantastic transport links for commuters. London King's Cross is approximately a 22 minute journey from Ebbsfleet International train station, while Charing Cross is reachable from Northfleet station in little over half-an-hour. The A2 and M25 are close by and are easily accessible. Stonehaven Park will also offer a Fastrack bus service, providing transport from the site to Ebbsfleet International, Bluewater and other local destinations.

WE PUT MORE IN

At Redrow we work hard to contribute to the existing facilities and create new ones, to dovetail our development into the local community. Below are some of the community benefits installed at **Stonehaven Park**.

OUR REQUIREMENTS AS HOME-BUILDERS

The New Homes Quality Code: Statement of Principles

This **Statement of Principles** (the core principles) sets out the main principles which registered developers agree to follow to benefit their customers.

1. FAIRNESS

Treat customers fairly throughout the buying and after-sales process.

2. SAFETY

Carry out and complete work in line with all regulations and requirements that apply to the new home, as set out by the Government, and have the necessary certificates from an appropriately approved body to show they have done this.

3. QUALITY

Complete all work to a high standard in line with all building and other standards and regulations that apply, as well as to the specification for the new home, and make sure that completion does not take place until the new home is complete (see section 2 of this code).

4. SERVICE

Have in place systems, processes and staff training to meet the customer service requirements of the code, and not use high-pressure selling techniques to influence a customer's decision to buy a new home.

5. RESPONSIVENESS

Have in place a reliable after-sales service and effective complaints procedure to make sure responses to customer queries are clear, thorough and provided in good time.

6. TRANSPARENCY

Provide clear and accurate information about buying the new home, including tenure and any costs the customer may have to pay in the future, such as ground rents and service charges.

7. INDEPENDENCE

Make sure that customers know they should appoint independent legal advisers when buying a new home and that they have the right to ask for an independent pre-completion inspection before completion takes place.

8. INCLUSIVITY

Take steps to identify and provide appropriate support to vulnerable customers and make sure the code is available to all customers, including in appropriate formats and languages.

9. SECURITY

Make sure there are reasonable financial arrangements in place, through insurance or otherwise, to meet all their obligations under the code, including repaying deposits when they are due and any financial awards made by the New Homes Ombudsman Service.

10. COMPLIANCE

Meet the requirements of the code and the New Homes Ombudsman Service.
