EXPLORE A UNIQUE HISTORY

The town of Farnborough enjoys a long history that dates back to Saxon times. It is home to a number of notable sites, including Farnborough Abbey – the resting place of Napoleon III – and the Tumbledown Dick, a 17th century pub that is thought to be connected to Richard Cromwell, son of Oliver Cromwell.

The town is most famous for its rich aviation history. This centres around Farnborough Airport, which was the UK's first-ever airfield. The airport has always been a hotbed for aviation research and was the location of the UK's first powered flight in 1908.

The site played an important role throughout military history. It was home to His Majesty's Balloon Factory (later His Majesty's Aircraft Factory), which was responsible for the design of most Royal Flying Corps aircraft in the First World War.

Although no longer owned by the MOD, the site is still a centre for aeronautical research to this day and has also been the venue for the Farnborough International Airshow – one of the world's foremost aviation events since 1948.

A FUTURE IN FARNBOROUGH

Modern day Farnborough offers a fantastic location close to city excitement and countryside calm.

The town centre is a hive of activity, with a busy shopping centre packed full of national favourites in fashion, cosmetics, hardware and banking. You'll also find a large selection of supermarkets for the weekly shop and great entertainment for the whole family.

The town is surrounded by beautiful Hampshire countryside on the banks of the River Blackwater. If you're looking for peace, you'll find some fantastic riverside walking trails, while a number of nearby lakes provide plenty of opportunities for fishing and water sports. Alternatively, you can escape to one of the many nearby parks and woodlands to relax, refresh and recharge.

The town also enjoys excellent road and rail links, with regular direct trains to London, convenient access to international air travel and hassle-free routes to the larger surrounding towns. With all this on offer, it's easy to see why Farnborough is so popular with those who value the importance of open space, but thrive on the thrills of the city.

BUY THROUGH SHARED OWNERSHIP

You can purchase a home at Southwood Mews if you do not own a property and have a household income of less than £80,000 per annum.

Pay rent on the remaining share

Buy 25–75% of a property

Shared Ownership* example:

Purchase price: £150,000

5% deposit: £3,000

40% property share: £60,000

95% mortgage: £57,000

You start by buying a share of the property (usually between 25% and 75%) and pay a subsidised rent to us on the rest.

This helps reduce the amount of deposit you need (so you can save for it faster) and makes the monthly mortgage repayments more manageable.

The great thing about Shared Ownership is that, at any time in the future, you can buy additional shares in your home until you own all of it – we call this 'staircasing'. As you purchase more shares, the

rent reduces, and when you own 100% of the property, you will not need to pay rent at all. To begin the process, you will need to have a financial assessment to establish your affordability, have a deposit ready plus some further monies available to pay for legal and conveyance costs.

Once we know how much you can afford and that you're approved for a mortgage, you can reserve a home with just a £500 reservation fee which goes towards the cost of the apartment.

*Shared Ownership – Terms and conditions apply. This scheme is subject to status and fitting criteria. Minimum and maximum share values will apply and rent is payable on the unsold share. This scheme cannot be used in conjunction with any other offer and is available on selected plots only. Please speak to a member of our Sales Team for more details.
