INTRODUCING YOUR NEW APARTMENT

Gilbert Lodge is designed with you in mind. Your own front door gives you independence and privacy, when you want it, but a communal Owners' Lounge opens up a whole new social life with like-minded neighbours when you wish.

To ensure you have the time to enjoy your new lifestyle maintenance and upkeep of the development is taken care of for you. The safety and security features in your apartment, along with the running costs of the Lodge are covered by your service charge, so you can budget with confidence.

The heating system in your apartment consists of contemporary electric panel radiators. The slim panel radiators include an easy to use programmer and thermostat so that you can set each room differently.

Shower rooms feature low-level shower trays and easy turn taps, while kitchens include a waist-height oven and hob as standard. You'll find a fitted mirrored wardrobe in the bedrooms, and in some selected apartments, a walk in wardrobe, as well as open space in the living room, giving you flexibility with furnishings.

Beautifully landscaped grounds are all maintained for you and are ideal for enjoying a cup of tea with the neighbours, or your family and friends. What's more, there is a Lodge Manager on hand to ensure everything is running smoothly.

The electricity at this development is supplemented by photo voltaic (PV) solar panels. This helps to reduce the electricity bills for the communal areas of the Lodge and ultimately reduces our carbon emissions to help the environment.

“

From the Lodge Manager, to friendly neighbours, life at Churchill is more than just a retirement apartment.

”

FEEL SAFE & SECURE

SIMPLY SIT BACK, RELAX AND ENJOY YOUR RETIREMENT

We take the time to consider the little details; the ones that often make the biggest difference.

We fit all of our apartments with a careline support system. This is connected to a 24-hour support service, so in the event of an emergency, you have direct contact with either the Lodge Manager, or a member of the call-centre team, 24 hours a day, 365 days a year.

The system can be used for calls to keep in touch with your neighbours, but it also provides video door entry, allowing you to view any visitors on a display screen before you choose to let them into the main entrance. An intruder alarm is fitted protecting the front door of your apartment, while ground floor apartments have additional sensors fitted, giving you that extra peace of mind. Fire and smoke detectors are fitted in communal areas and within your apartment, so you feel really safe and secure.

The welcoming Owners' Lounge is home to a variety of events, and is a popular spot for a catch up with your neighbours and friends, or for settling in a quiet corner to enjoy a good book. We have a programme of events which include an array of social activities. From cheese and wine evenings to keep fit classes, there is something for everyone.

Each Lodge has a Guest Suite which Owners can book for friends and family who wish to stay overnight, meaning no worries about making up the spare room.

AWARD WINNING PROPERTY MANAGEMENT

SERVICE YOU CAN TRUST

All Churchill Retirement Living developments are looked after by Churchill Estates, our own property management company. The Lodge Manager takes care of the day-to-day running of the development. They can answer any queries and help keep an eye on your apartment if you go away. Many of our Owners see their Lodge Manager as a friendly neighbour they can call upon, and someone who is there to offer a helping hand, should they need it.

A TRANSPARENT APPROACH

We are completely transparent when it comes to costs with no hidden charges, so you don't have to worry about unexpected bills. Our Sales team will be able to give you a breakdown of specific charges, so that you can see exactly how much everything costs and when it is payable.

Your service charge includes the services of the Lodge Manager, the 24-hour on-call assistance system

and the maintenance, heating, lighting and upkeep of communal areas such as the Owners' Lounge, Gardens and Guest Suite.

When you come to sell your apartment 2% of the gross sale price achieved is payable as a Community Event Fee, half of this goes to a Contingency Fund which is held in a fund on behalf of all Owners at the Lodge to help with future repair and replacement

costs, the other half is payable to Churchill Retirement Living to help fund the communal areas which are a key feature of retirement communities.
