

West Works, Longbridge

Bristol Road South, Longbridge, B45 9UA

1 & 2 bedroom apartments and
2, 3 & 4 bedroom homes.

There's no place like your home.

When we set about building our homes, we always begin with the same four principles in mind – sustainability, flexible living, height and light, and community.

These principles are brought to life through thoughtful design, and with all of them combined, they create a home that enhances and benefits your lifestyle.

Building more than just homes.

Community matters.

Enjoy your surroundings.

“Community” can mean different things to different people. For us it means bringing people together and connecting our developments with the wider local area, so we never build homes in the middle of nowhere. Public services, schools, jobs, shopping, restaurants, parks and the countryside are always within reach so you never feel like you’re stuck in the sticks.

Why West Works

Here's why....

However you like to spend your time, Longbridge West Works is hard to beat – located just 20 minutes from the bright lights of Britain's second city and two miles from the natural beauty and green spaces of the Lickey Hills.

With a selection of places to eat, shop, walk and explore, you'll find Longbridge at the centre of it all!
