## IMPORTANT INFORMATION - PLEASE READ CAREFULLY

[1] Prices are based on market valuation carried out by an Independent RICS Valuer every 3 months.

[2] Applicants will be required to purchase the maximum share they are able to afford as determined by an independent financial advisor.

[3] Rent is based on 2.75% of the unsold share. Rent increases annually and effective from 1st April each year based on the terms set out in the lease. Please ensure you discuss this with your solicitor and factor in future rent increases into your budgets.

[4] Mortgage rate is based on a 95% repayment loan over 30 years with interest rate of 6% (this assumes you will be paying a minimum 5% deposit). Eligibility criteria apply.

[5] Service charge figures are estimates based on information provided to us by the developers and managing agents. Service charges are reviewed annually and are effective from 1st April each year. Service charge will increase year on year. You are recommended to factor in any increases into your costings.

[6] \* As part of planning with the local borough, this property as a maximum threshold income lower than the general Shared Ownership eligibility criteria. Applicants affordability will also be based on a Debt to Income ratio of no more than 40%. Please speak to the sales team or financial advisor for more information.
