# DISCOVER YOUR NEW LIFESTYLE WITH CHURCHILL...

## SAY GOODBYE TO MAINTENANCE

Maintaining a large house and garden could soon be a thing of the past, as the communal maintenance and upkeep of the development including the gardens are all taken care of for you. All those irritating, time-consuming jobs like window cleaning are now someone else's problem. Your new, low maintenance lifestyle will mean more time for you to enjoy doing the things you love.

## OFFERING PEACE OF MIND

Owners enjoy the benefit of a 'lock up and leave' lifestyle enabling them to simply lock up and leave their apartment in safe hands for weekends away and holidays.

Your Lodge Manager will be on hand, and your safety is of paramount importance to us. Living in a Churchill apartment means you'll be able to close your front door in complete confidence knowing that your apartment will be safe. What's more, Owners often find they are closer to friends and family, who can also benefit from the peace of mind that comes with a Churchill apartment.

## RELAX, YOU'RE IN SAFE HANDS

We have won numerous awards for our Customer service and the way we operate, so it's fair to say we put our Customers at the heart of everything we do. With over 90% of Customers saying they would recommend us to a family member or friend (*Home Builders Federation (HBF) Customer Satisfaction Survey*) it's no wonder we are seeing more happy Owners enjoy their new Churchill lifestyle.

## BY MOVING TO A CHURCHILL APARTMENT YOU COULD...

### Keep moving

All Churchill developments are close to the town centre or local amenities so Owners find it's easier to get out and about and stay active in their retirement.

### Stay social

Friendly like-minded neighbours, and the ability to socialise as and when you want means there's always something going on.

### Be happy

An average person aged 80 feels as good as someone 10 years younger\* after moving into a retirement development.

## FEEL SAFE & SECURE

### **SIMPLY SIT BACK, RELAX AND ENJOY YOUR RETIREMENT**

We take the time to consider the little details; the ones that often make the biggest difference.

We fit all of our apartments with a careline support system. This is connected to a 24-hour support service, so in the event of an emergency, you have direct contact with either the Lodge Manager, or a member of the call-centre team, 24 hours a day, 365 days a year.

The system can be used for calls to keep in touch with your neighbours, but it also provides video door entry, allowing you to view any visitors on a display screen before you choose to let them into the main entrance. An intruder alarm is fitted protecting the front door of your apartment, while ground floor apartments have additional sensors fitted, giving you that extra peace of mind. Fire and smoke detectors are fitted in communal areas and within your apartment, so you feel really safe and secure.

The welcoming Owners' Lounge is home to a variety of events, and is a popular spot for a catch up with your neighbours and friends, or for settling in a quiet corner to enjoy a good book. We have a programme of events which include an array of social activities. From cheese and wine evenings to keep fit classes, there is something for everyone.

Each Lodge has a Guest Suite which Owners can book for friends and family who wish to stay overnight, meaning no worries about making up the spare room.

When surveyed  
85% of Customers  
gave Churchill 8  
out of 10 or higher  
for their "overall  
moving experience"

Independent research has shown that moving to a Churchill apartment can make the average 80 year old feel 10 years younger.

**So what better time is there than now to sell your old home and choose Churchill?**

## INTRODUCING YOUR NEW APARTMENT

### WELCOME TO YOUR NEW LIFESTYLE

All of our developments are designed with you in mind. Your own front door gives you privacy when you want it, but a communal Owners' Lounge opens up a whole new social life with like-minded neighbours when you wish.

### FEATURES

Shower rooms feature low-level shower trays and easy turn taps, while kitchens include a waist height oven, hob and fridge/freezer as standard. You'll find a walk-in wardrobe in the bedroom\* and open space in the living room, giving you flexibility with furnishings.

Two bedroom apartments feature an en-suite, while the second bedroom can also serve as a dining room, home office or a guest room – the choice is yours. Both one and two bedroom apartments include space for storage which is specific to each apartment.

The heating system in your apartment consists of contemporary electric panel radiators. The slim, wall mounted panel radiators include an easy to use programmer and thermostat so that you can set each room differently. The electricity at this development is supplemented by photo voltaic (PV) solar panels. This helps to reduce your electricity bills and ultimately reduces our carbon emissions to help the environment.

Beautifully landscaped grounds are all maintained for you and are ideal for enjoying a cup of tea with the neighbours, or your family and friends. What's more, there is a Lodge Manager on hand to manage the Lodge and ensure everything is running smoothly.

“

From the Lodge Manager, to friendly neighbours, life at Churchill is more than just a retirement apartment.

## AWARD WINNING PROPERTY MANAGEMENT

### SERVICE YOU CAN TRUST

All Churchill Retirement Living developments are looked after by Churchill Estates, our own property management company. The Lodge Manager takes care of the day-to-day running of the development. They can answer any queries and help keep an eye on your apartment if you go away. Many of our Owners see their Lodge Manager as a friendly neighbour they can call upon, and someone who is there to offer a helping hand, should they need it.

The Lodge Manager is fundamental to ensuring our Owners enjoy an active social lifestyle. They are responsible for helping to facilitate a variety of events and activities so there is always something for the Owners to get involved with.

### A TRANSPARENT APPROACH

We are completely transparent when it comes to costs with no hidden charges, so you don't have to worry about unexpected bills. Our Sales team will be able to give you a breakdown of specific charges, so that you can see exactly how much everything costs.

Your service charge includes many things that you would ordinarily pay extra for, such as the 24-hour support system, the furnishings, heating and cleaning of the Owners' Lounge and the services of the Lodge Manager.

Some properties may have a ground rent, specific details of which will be provided by your Sales Executive.

When you come to sell your apartment 2% of the gross sale price achieved is payable as a Community Event Fee, half of this goes to a Contingency Fund which is held in a fund on behalf of all Owners at the Lodge to help with future repair and replacement costs, the other half is payable to Churchill Retirement Living to help fund the communal areas which are a key feature of retirement communities.
