A new home. The start of a whole new chapter for you and your family. And for us, the part of our job where bricks and mortar becomes a place filled with activity and dreams and fun and love. We put a huge amount of care into the houses we build, but the story's not finished until we match them up with the right people. So, once you've chosen a Miller home, we'll do everything we can to make the rest of the process easy, even enjoyable. From the moment you make your decision until you've settled happily in, we'll be there to help.

Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Station Fields.

Set amidst a cluster of picturesque villages beside Stanley, Station Fields is conveniently located for access to Newcastle, Durham and Sunderland. Express bus services, stopping fifteen minutes' walk from Station Fields, reach Newcastle in half an hour, with alternative services via the Metrocentre passing through Tanfield Lea, less than a mile away. Buses from Stanley also link with Durham, Sunderland and Consett. National Cycle Route 7, incorporating the long-distance C2C path from the Irish Sea to the North Sea, passes along the northern edge of Stanley.

There are convenience stores and off-licences in Tanfield Lea, in Tantobie, at Kip Hill Services and in Shield Row, all within around 20 minutes' walk. Other nearby village shops include a pharmacy and a post office in Burnopfield. Stanley took the Gold Award of Northumbria in Bloom 2023, and the pleasant, partly pedestrianised town centre mixes local shops and cafés, a post office and pharmacies with larger stores such as discount outlets and Asda and Aldi supermarkets. The vast Metro Centre, with more than 250 retailers alongside restaurants and leisure amenities, is just over 15 minutes' drive away and reachable by bus.

Welcome home

This attractive new neighbourhood of energy efficient two, three, four and five bedroom homes is set on the edge of the picturesque village of Tanfield, close to traditional pubs, cafés and miles of scenic countryside. Around half an hour's walk from the shops and amenities of Stanley town centre and within approximately 20 minutes drive of both Newcastle and Durham, it is an ideal base for travel throughout the north-east. Welcome to Station Fields...

The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 90 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

your home
your way...

The beautiful village of Tanfield is home to Bayberry Hollow, a café, bistro and gift shop, and the traditional Peacock Inn, both only ten minutes' walk from Station Fields. The Blue Bell and the four-star South Causey Inn, with its Tuesday market selling fresh produce and crafts, are just a little further away.

The Louisa Centre in Stanley incorporates two swimming pools, a gym, sports hall, shooting range, soft play area and library. The town has cricket and football clubs, and there are superb golf courses at the Beamish Park, Hobson and South Moor clubs. The area is rich in beautiful countryside for walking and cycling, and it also offers some fascinating heritage attractions. Tanfield Railway operates steam-driven trains with Victorian carriages from their station just yards from Station Fields, and the outstanding Beamish Living Museum is less than three miles away. Annual events in Stanley include Miners' Sunday, a lively parade with miners' union banners, workshops and sideshows.

Tanfield Lea Community Primary School and the successful and highly regarded Tanfield Secondary School are both approximately a mile from the development, and alternative primary schools nearby include Burnopfield Primary and Sacred Heart Catholic Primary in Burnopfield. Health care includes the large Stanley Medical Group, and there is a choice of dentists in the town.

Useful Contacts

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
