*Selected homes. †Selected blocks. ‡Selected apartments. The Development Layout does not show details of gradients of land, boundary treatments, local authority street lighting or landscaping. It is our intention to build in accordance with this layout. However, there may be occasions when the house designs, boundaries, landscaping and positions of roads and footpaths change as the development proceeds. Please check the details of your chosen property with your Sales Executive prior to reservation. Please speak to our Sales Executives regarding the tenure of our new homes. As part of the planning consent for this development, a number of new homes may have been designated as affordable housing. Where applicable, these properties will remain as affordable housing tenure and are specifically shown to make it clear that they are not available for general sale. The remaining homes on the development are available for open market sale, including "bulk sales" (meaning the sale of more than one home to a single purchaser) to purchasers, who could be private individuals or another type of purchaser (for example local authorities, housing associations or other commercial landlords), and therefore the mix of tenures on a development may change. 52651 / August 2025.

The floor plans depict a typical layout of this house type. For exact plot specification, details of external and internal finishes, dimensions and floor plan differences consult your Sales Executive. The sq ft/ sq m stated is the net sales area described in the RICS Code of Measurement 6th Edition. It is the area of the building measured to the plaster finish of the perimeter walls at each floor level. The measurement includes internal walls, service boxings and voids over stairs. It excludes internal garages and areas with less than 1.5m headroom. All dimensions are + or - 50mm and floor plans are not shown to scale. The kitchen layout and furniture positions are for indicative purposes only. The computer generated image is for illustrative purposes only and it is from an imaginary viewpoint within an open space area. Its purpose is to give a feel for the development, not an accurate description of each property. The illustration shows a typical Taylor Wimpey home of this type, but there are, however, variances from site to site. External materials, finishes, landscaping and the position of garages (where provided) may vary throughout the development. Properties may also be built handed (mirror image).
