# Cygnet Grange

Welcome to Cygnet Grange, lovely new homes in a village setting with easy access to Southampton, Portsmouth, and the glorious South Downs and the Solent.

## Designed with community in mind

Swanmore is the perfect setting for our new homes at Cygnet Grange, offering homebuyers a family-friendly environment that's also very convenient for both Southampton and Portsmouth. It's the best of both worlds to have city life on one hand and the beautiful countryside of the Meon Valley – part of the South Downs National Park – on the other.

The village offers excellent local facilities. These include two pre-schools and a primary and secondary school which are both on New Road and within walking distance of Cygnet Grange, so you'll soon feel that you're a part of the community. Other amenities in the village include pubs,

the village hall, leisure centre and a golf centre.

Nearby, the internationally renowned sailing communities of the Solent, Chichester Harbour and the Isle of Wight are a huge draw for sporting enthusiasts, and there are some lovely beaches to explore.

## Great connections

The cities and towns along this part of Hampshire's south coast are linked by the M27. It's a convenient route that connects with the A31 for Bournemouth and Poole, the M3 for London and the A3 for Guildford. Locally, the A334 takes you into Southampton just 12 miles away, and the A32 takes you into Portsmouth, approximately the same distance. There are train services from both cities to London King's Cross, Euston, Paddington and St Pancras.

Energy efficiency built in

# Sustainability

**Our homes are typically 30% more efficient than traditional UK housing, helping you to save money and reduce your impact on the environment.**

We're proud that we already build our homes to high levels of energy efficiency, but there's still a way to go. Our in-house sustainability team is dedicated to our mission to have net zero carbon homes in use by 2030, and for our own operations to be net zero carbon by 2040.

To achieve this, we're working to science-based carbon reduction targets in line with the Paris Agreement's 1.5°C warming pledge, investing in low-carbon solutions and technology that will further reduce the carbon footprints of our homes and our impact on the planet.

## Energy efficiency built in:

- ✓ **PEA rating – B**  
Our typical B rating makes our homes much more efficient than traditional D-rated homes.
- ✓ **Up to 400mm roof space insulation**  
Warmer in winter, cooler in summer, reducing energy bills.
- ✓ **Argon gas filled double glazing**  
Greater insulation and reduced heat loss.
- ✓ **Energy efficient lighting**  
We use energy-saving LED lightbulbs in all our homes.
- ✓ **A-rated appliances**  
Many of our kitchen appliances have a highly efficient A rating.
- ✓ **A-rated boilers**  
Our condenser boilers far outperform non-condensing ones.
- ✓ **Local links**  
We're located close to amenities and public transport to help reduce your travel footprint.
- ✓ **Hyper-fast broadband**  
FibreNest fibre-to-the-home connectivity helps you live and work at home more flexibly.
- ✓ **Lower-carbon bricks**  
Our concrete bricks typically use 28% less carbon in manufacture than clay, giving total lifetime carbon savings of 2.4 tonnes of CO<sub>2</sub> per house built.

6 reasons why it pays to buy new

## Did you know?

Most of the benefits of buying new are obvious, but some are not. Here's a quick summary of the key reasons why it's such a smart move:

1.

### No chain

Few things are more annoying in the home buying process than a time-consuming chain you can't control. Buying new limits the chance of getting involved in one.

2.

### Energy efficient

Our homes include cost-effective combi boilers, first-rate loft insulation and draught-free double glazed windows to meet stringent energy-efficient standards, keeping your energy bills as low as possible.

3.

### Brand new

Absolutely everything in your new home is brand new. You get all the latest designs and tech, complete with manufacturers' warranties. Win-win.

4.

### More ways to buy

We offer a range of schemes to help get you on the property ladder, including Home Change and Part Exchange.

5.

### 10 year warranty

All our new homes come with a ten-year, insurance-backed warranty, as well as our own two-year Persimmon warranty. In the unlikely event you ever need to claim, our Customer Care Team are there to help you.

6.

### Safe & secure

All our homes are built from fire-retardant materials and come with fitted smoke alarms and fire escape windows. They're also far more secure than older buildings thanks to the security locks and lighting we use.

[persimmonhomes.com](https://persimmonhomes.com)

**And did we mention you'll have  
more time for dancing?**

Buying new means you'll spend far less time on repairs and maintenance, after all, life's too short to spend every weekend doing DIY.
