MORE REASONS TO BUY A BRAND NEW BLOOR HOME.

There are so many benefits of buying a brand-new home over an old one – especially if it's been crafted by our highly-skilled tradesmen using the finest quality materials.

No expensive refurbishments

It's called a brand-new home for a reason. New windows, new kitchen, new carpets, new bathroom and new finishes. And with the average cost of updating an old home as high as £30,000, your new Bloor home will be a real cost saver.

But that's not all. It's also a time and hassle-saver as you won't need to make any renovations or improvements – giving you more quality time with your family and friends.

You don't have to wait

You can move into a Bloor home as soon as it is complete. We know how excited you will be to start living your new life. Everything is there, ready and waiting for you to make it yours.

Feel part of a community

We choose the locations for our new developments as carefully as we do our materials. And with everyone in the neighbourhood starting their exciting new chapters at the same time, getting to know one another, and making new friends will be a truly wonderful experience.

'Some people say moving home is the most stressful thing, but for us with Bloor Homes it was painless and really actually quite enjoyable.

I think the thing for us is that village life but you get a modern house.

The day we moved in was really seamless. We had our keys by 12pm and we moved in and were able sit in the sunshine and have a drink.

I would like to say a huge thank you to everyone at Bloor Homes who helped us get our dream home.

Would I recomend Bloor Homes? Yes of course I would!

Amy,
Bloor Homes @Feering - Feering

'I remember the day we got our keys. It made our dreams come true. Bloor concentrate on quality, instead of quantity.

We aren't just moving our house, we're moving our family, our future, our life. We have two daughters and a grandson, so we have to have rooms for our family and friends when they want to visit us.

We're really pleased we chose Bloor, just like us, you don't need to worry when you buy Bloor.'
