Save money on your energy bills

The increased thermal retention from our insulation and double glazing, along with reduced water use thanks to efficient appliances, mean you'll automatically save money on your energy and water bills – and with the rising cost of living, this can make a real difference.

Take a look at the recently published HBF Watt a Save report to find out how much you could save.

The Persimmon Pledge

We believe keeping you fully informed throughout the home-buying process is key to making the whole experience enjoyably simple. That's why we created The Persimmon Pledge. It's our way of making sure you receive exceptional customer service and relevant communications before, during and after you've moved in.

Castleford • West Yorkshire

Pinewood Grange

Pinewood Grange is our development of new homes in the historic Roman town of Castleford in West Yorkshire. A collection of two, three and four-bedroom homes, you're sure to find a home to suit whether you're a first time buyer or looking for a new family home.

In a fantastic rural setting to the south of the town, with a great choice of home styles, Pinewood Grange is an ideal place to call home. The development is located only a quarter of a mile from the bustling town centre of Castleford with its convenient rail and bus links. Leeds city centre is also easily accessible and the M62 motorway is just over a mile from the development meaning it's also in the perfect situation for commuters.

Nearby, the Xscape sports and leisure complex offers a huge choice of fun activities for all ages. So whether you fancy having a go at indoor skiing, rock climbing, bowling or even wave surfing, you'll never be stuck for something to do. There's a good choice of shops, restaurants and bars within the complex, but if you're after more retail therapy, the Junction 32 designer shopping outlet is only a short distance away.

Perfectly placed for great days out

Other great days out around Castleford include Lotherton Hall, Diggerland, Fairburn Ings, Anglers Country Park, Hemsworth Water Park and Playworld. For those who like the great outdoors, there's a wealth of walking and cycling routes close to Pinewood Grange. Keen golfers amongst you will be pleased to know that Pontefract & District and Whitwood Golf Clubs are just a short drive away.

Well connected

Living at Pinewood Grange means you'll have easy access to the M62 via the A655 to junction 31 or A639 to junction 32, which in turn links to the M1 and A1. Castleford's train and bus stations are within walking distance – ideal for commuters and explorers alike. And, for journeys further afield, Leeds Bradford Airport, with its wide range of national and international destinations, is within easy reach.

All this together with a good choice of local schooling means Pinewood Grange could be your ideal place to set up home.

Energy efficiency built in

Sustainability

Our homes are typically 30% more efficient than traditional UK housing, helping you to save money and reduce your impact on the environment.

We're proud that we already build our homes to high levels of energy efficiency, but there's still a way to go. Our in-house sustainability team is dedicated to our mission to have net zero carbon homes in use by 2030, and for our own operations to be net zero carbon by 2040.

To achieve this, we're working to science-based carbon reduction targets in line with the Paris Agreement's 1.5°C warming pledge, investing in low-carbon solutions and technology that will further reduce the carbon footprints of our homes and our impact on the planet.

Energy efficiency built in:

- ✓ **PEA rating – B**
Our typical B rating makes our homes much more efficient than traditional D-rated homes.
- ✓ **Up to 400mm roof space insulation**
Warmer in winter, cooler in summer, reducing energy bills.
- ✓ **Argon gas filled double glazing**
Greater insulation and reduced heat loss.
- ✓ **Energy efficient lighting**
We use energy-saving LED lightbulbs in all our homes.
- ✓ **A-rated appliances**
Many of our kitchen appliances have a highly efficient A rating.
- ✓ **A-rated boilers**
Our condenser boilers far outperform non-condensing ones.
- ✓ **Local links**
We're located close to amenities and public transport to help reduce your travel footprint.
- ✓ **Ultra-fast broadband**
FibreNest fibre-to-the-home connectivity helps you live and work at home more flexibly.
- ✓ **Lower-carbon bricks**
Our concrete bricks typically use 28% less carbon in manufacture than clay, giving total lifetime carbon savings of 2.4 tonnes of CO₂ per house built.
