Persimmon

Together, we make your home

Together, we make your home

When it comes to designing a new development, we apply the same philosophy every time – make it unique, make it personal. That's because we understand your new home is more than simply bricks and mortar. It's a private place of sanctuary where we hope you'll laugh, entertain and escape for many years to come.

"With over 50 years of building excellence, find out more about us on page 4"

5 stars!

We're proud of our 5 star builder status awarded by the national Home Builders Federation (HBF). It's a reflection of our commitment to delivering excellence always and putting our customers at the heart of all we do.

Who we are

A little bit about us

You're about to make one of the most exciting investments of your life! A beautiful place to call home for years to come. Here are some reasons to invest in a Persimmon home...

Over 50 years of expertise

We've been building homes and communities since the early seventies, and just as fashions have moved on, so too has construction. Over half a century we've perfected processes, fine-tuned materials and honed skills to make us one of today's most modern and progressive home builders.

Sustainability mission

We're committed to reducing our impact on the planet and building for a better tomorrow, with a dedicated in-house team focused on this. [Read more on page 24](#)

"Building sustainable homes and community hubs"

Save money on your energy bills

The increased thermal retention from our insulation and double glazing, along with reduced water use thanks to efficient appliances, mean you'll automatically save money on your energy and water bills – and with the rising cost of living, this can make a real difference.

Take a look at the recently published HBF Watt a Save report to find out how much you could save.

The Persimmon Pledge

The Persimmon Pledge is our commitment to making sure you receive exceptional customer service and relevant communications before, during and after you've moved in.

Find out more about the Persimmon Pledge.

Accessible homes

It's crucial that your new home works perfectly for you and your needs. We build in line with Approved Document M accessibility requirements.

Scan the QR code to find out what each rating means.

Giving back

We do everything we can to give back to our communities and proudly contribute towards community hubs, children's play areas, schools and sports facilities.

Our 'Community Champions' and 'Building Futures' programmes help to raise funds for projects and charities across Great Britain. If you'd like to get involved visit persimmonhomes.com/community-champions to see if you could apply to support your local community.

Help when you need it

You'll have a dedicated customer care helpline, plus cover for emergencies like complete loss of electricity, gas, water or drainage.

10-year warranty

When you buy a Persimmon home it comes complete with a 'peace of mind' 10-year insurance-backed warranty and our own two-year Persimmon warranty.

Happy hour

We run Customer Construction Clinics from our on-site sales offices each Monday from 5-6pm. Pop in to see the team both during and after you've moved in to your new home.

Finishing Touches

We know you'll want to make your home your own, so we created 'Finishing Touches', our home personalisation service. **Read more on page 26**

With you all the way

Your journey with us

From finding your perfect new home to moving in,
we're here to help every step of the way.

1.→ 2.→ 3.

Reservation

So you've seen a home you love? Speak to one of our friendly sales advisors who will help you secure your dream home.

Solicitor

You'll need to instruct a solicitor or conveyancer at the point of reservation. Your sales advisor can recommend a local independent company.

Mortgage application

Most people will need to apply for a mortgage. We can recommend independent financial advisors to give you the best impartial advice.

4.→ 5.→ 6.

Personalise!

The bit you've been waiting for! Making the final choices for your new home. Depending on build stage you can also choose from a range of Finishing Touches.

Exchange contracts

One step closer to moving in – this is where we exchange contracts and your solicitor will transfer your deposit.

Quality assurance

Your home will be thoroughly inspected by site teams and will also have an Independent Quality Inspection to make sure it's ready for you to move into.

7.→ 8.→ 9.

Home demo

Another exciting milestone! Here's where you get to see your new home before completion. You'll be shown how everything works and any questions can be answered.

Handover

The moment you've been waiting for! The paperwork has been completed, the money transferred and now it's time to move in and start unpacking...

After-care

Our site and customer care teams will support you every step of the way. You'll receive a dedicated customer care line number to deal with any issues.

Chippenham • Wiltshire

Oak Hill Rise

An ideal rural, edge-of-town location. With its energy-efficient two, three and four-bedroom homes, our Oak Hill Rise development is perfect for first-time buyers, families, and those looking for a new base in beautiful Wiltshire and the South West.

Nestled on the banks of the river Avon, historical Chippenham has quaint streets and is surrounded by Wiltshire's natural beauty. Less than 10 minutes by car or a walk away, the town centre provides you with an abundance of local shops, pubs, restaurants, museums, and a number of public parks.

Located in North Wiltshire, the popular cities of Bristol and Bath are under 40 minutes away by car. So you can easily access incredible shopping, entertainment, restaurants, arts and culture. For the daily commute, it's even better, with rail services from Chippenham to Bath taking 11 minutes, and Bristol under 25 minutes.

School days

Within walking distance of Oak Hill Rise, there are a number of good primary schools, including St Paul's Primary School. Hardenhuish and Sheldon secondary schools are also approximately one mile away, as is the Chippenham campus of Wiltshire College.

Life in the South West

The region has a wealth of historic sites and landmarks, including the stone circles at Avebury and, of course, Stonehenge, the ancient capital of Malmesbury and Warminster to name a few. And when you want to relax on the weekends, as well as quaint rural villages, the famous Cotswold (AONB) is moments away, whilst the coast is less than an hour by car.

This site layout is intended for illustrative purposes only, and may be subject to change, for example, in response to market demand, ground conditions or technical and planning reasons. Trees, planting and public open space shown are indicative, actual numbers and positions may vary. This site plan does not form any part of a warranty or contract. Further information is available from a site sales advisor.

2 bedroom home

The Alnmouth

Perfectly-proportioned, the Alnmouth has a stylish open plan kitchen/living room with French doors leading into the garden. It also features flexible first floor rooms, a good-sized family bathroom and off-road parking. Ideal if you're a first-time buyer looking for a fresh modern home you can make your own.

GROUND FLOOR

1ST FLOOR

Please note that elevation treatments and window/door positions may vary from plot to plot. Plot specific information will be confirmed on your reservation check list.

This information is for guidance only and does not form any part of any contract or constitute a warranty. Illustrations are of typical elevations and may vary. Floor plans are not drawn to scale and window positions may vary. Room dimensions are subject to a +/- 50mm (2") tolerance and are based on the maximum dimensions in each room. Please consult your sales advisor on site for specific elevations, room dimensions and external finishes. The EPC ratings are estimated and vary between home types, orientation and developments.

The Danbury

3 bedroom home

Perfect for the way we live today, the three-bedroom Danbury has a modern open plan kitchen/dining room with garden access and a spacious front-aspect living room that's ideal for entertaining. Upstairs there are three bedrooms - bedroom one has an en suite - and a family-sized bathroom. Appealing to families, first-time buyers and young professionals.

Roof

Tile or slate-effect with PVCu rainwater goods.

Windows

Double glazed E-glass windows in PVCu frames.

Doors

GRP-skinned external doors with PVCu frames.
French doors to garden or balcony
(where applicable).

Internal

Ceilings

Painted white.

Lighting

Pendant or batten fittings with low-energy bulbs.

Stairs

Staircase painted white.

Walls

Painted in white emulsion.

Doors

White pre-finished doors with white hinges.

Heating

Air source heat pump central heating system with radiators to all main rooms, with thermostatically-controlled valves to bedrooms.

Insulation

Insulated loft and hatch to meet current building regulations.

Electrics

Individual circuit breakers to consumer unit and double electric sockets to all main rooms.

General

Media plate incorporating TV and telecommunication outlets to living room.

Bathroom

Suites

White bathroom suites with chrome-finished fittings.

Extractor fan

Extractor fan to bathroom and en suite (where applicable).

Shower

Mira showers with chrome fittings to en suite. Where there is no en suite, Mira thermostatic shower with wall mounted shower head.

Splashbacks

Splashback to sanitaryware walls in bathroom and en suite. Splashback to bath and full height tiled shower where separate enclosure only.

General

En suite to bedroom(s) where applicable.

Security

Locks

Three-point locking to front and rear doors, locks to all windows (except escape windows).

Fire

Smoke detectors wired to the mains with battery back-up.

Garage & Gardens

Garage

Garage, car ports or parking space.

Garden

Front lawn turfed or landscaped (where applicable).

Fencing

1.8 metre fence to rear garden, plus gate.

Eco

Solar panels and EV charging points (cable and blanking plate only).

Kitchen

General

Fully-fitted kitchen with a choice of doors and laminate worktop with upstands to match (depending on build stage).

Appliances

Single electric stainless steel oven and black ceramic hob with integrated stainless steel cooker hood and glass splashback. Fully integrated dishwasher, fridge freezer and washing machine.

Energy efficiency built in

Sustainability

Our homes are typically 30% more efficient than traditional UK housing, helping you to save money and reduce your impact on the environment.

We're proud that we already build our homes to high levels of energy efficiency, but there's still a way to go. Our in-house sustainability team is dedicated to our mission to have net zero carbon homes in use by 2030, and for our own operations to be net zero carbon by 2040.

To achieve this, we're working to science-based carbon reduction targets in line with the Paris Agreement's 1.5°C warming pledge, investing in low-carbon solutions and technology that will further reduce the carbon footprints of our homes and our impact on the planet.

Energy efficiency built in:

PEA – B

Our typical B rating makes our homes much more efficient than traditional D-rated homes.

Local links

We're located close to amenities and public transport to help reduce your travel footprint.

Up to 400mm roof space insulation

Warmer in winter, cooler in summer, reducing energy bills.

Ultra-fast broadband

FibreNest fibre-to-the-home connectivity helps you live and work at home more flexibly.

Argon gas filled double glazing

Greater insulation and reduced heat loss.

Lower-carbon bricks

Our concrete bricks typically use 28% less carbon in manufacture than clay, giving total lifetime carbon savings of 2.4 tonnes of CO₂ per house built.

Energy efficient lighting

We use energy-saving LED lightbulbs in all our homes.

Air source heat pumps

A great, energy efficient choice for heating your home and water.

The Persimmon Pledge

We believe keeping you fully informed throughout the home-buying process is key to making the whole experience enjoyably simple. That's why we created The Persimmon Pledge. It's our way of making sure you receive exceptional customer service and relevant communications before, during and after you've moved in.

Your home, your way

Finishing Touches to make it yours

Our goal is to make your house feel like your home before
you've even collected the keys.

Key to achieving this is giving you the creative freedom to add your own style and personality to every room through our fabulous Finishing Touches collection.

Featuring the very latest designs from a host of leading brands, Finishing Touches lets you personalise your home inside and out. And rest assured, every upgrade and item available has been carefully chosen to complement the style

and finish of your new home. Of course, the real beauty is that all these extras will be ready for the day you move in.

Thanks to our impressive buying power we can offer almost any upgrade you can imagine at a highly competitive price. It can all be arranged from the comfort and convenience of one of our marketing suites, in a personal design appointment.

You can choose:

Kitchens

Appliances

Bathrooms

Flooring

Wardrobes

Fixtures & fittings

"One of the most exciting things about buying a brand new home is putting your own stamp on a blank canvas."

Share & win!

Share your love for your new Persimmon home and you could win a £100 IKEA voucher. There is one up for grabs every month. For inspiration, check out past winners' homes on our Instagram page @persimmon_homes

#lovemypersimmonhome

The earlier you reserve, the greater the choice

We'll always try and accommodate the Finishing Touches you want, but they are build-stage dependent, so the earlier you reserve the better.

persimmonhomes.com/finishingtouches

Finishing Touches are subject to availability and stage of construction. Prices for your specific home type will be in our price list. For a full list of Finishing Touches available for your home, please contact the sales advisor on site.

Eco Range homes

New build homes are changing, and together, we're embracing the future. Recent updates to the Government's Part L building regulations mean from June 2023 our new Persimmon Eco Range homes will have a reduction of 31% in carbon emissions. This means a warmer, more energy-efficient home for you and the really cosy feeling of knowing it's better for the environment.

This means... **a saving of up to £6,730*** over the lifetime of a 25 year mortgage.

31 % reduction in carbon emissions

Solar panels Solar panels, also known as photovoltaics (PV), capture the sun's energy and convert it into electricity to use in your new home giving you free and renewable energy, alternatively any excess electricity generated can be sold to the grid.

EV charging is a handy addition if you have an electric car, as you can charge it from the comfort of your own home. NB: Not all homes will have EV chargers as they're site and plot dependent. They can be added from our Finishing Touches range.

Enhanced loft insulation is a huge cosy blanket that slows down the transfer of heat between your home and the outside world. It not only warms your home in the winter but keeps it cooler in the summer.

Waste water heat recovery ensures the waste water from the shower heats the incoming cold water as it goes up the pipe so that the air source heat pump doesn't have to work as hard to heat it.

More thermally-efficient walls mean less heat escaping, so you aren't as dependent on central heating, and whatever heat is generated is kept in your home.

Our panelised offsite-manufactured timber frame technology uses a unique, sustainable panel system which adds to the thermal efficiency of your home. *NB: not all homes will be built using timber frame technology.

Energy-efficient air source heat pumps use the latest technology to warm your already well-insulated home. The controls allow you to optimise your energy saving whilst keeping you comfortable.

A more thermally-efficient ground floor will mean you'll benefit from the additional insulation we're incorporating in the floor construction.

*When compared to a Victorian-built equivalent, savings could be up to £31,640. The £6,730 saving is in comparison to a Persimmon home built to current building regulations (2013).[^]NB: not all homes will be built using timber frame technology. [^]NB: Not all homes will have EV Chargers, but they can be added from our Finishing Touches range. *Whilst the heat pump is extremely efficient, purchasers should take into account the price of energy when considering any cost savings.

6 reasons why it pays to buy new

Did you know?

Most of the benefits of buying new are obvious, but some are not. Here's a quick summary of the key reasons why it's such a smart move:

1.

No chain

Few things are more annoying in the home buying process than a time-consuming chain you can't control. Buying new limits the chance of getting involved in one.

2.

Energy efficient

Our homes include cost-effective combi boilers, first-rate loft insulation and draught-free double glazed windows to meet stringent energy-efficient standards, keeping your energy bills as low as possible.

3.

Brand new

Absolutely everything in your new home is brand new. You get all the latest designs and tech, complete with manufacturers' warranties. Win-win.

4.

More ways to buy

We offer a range of schemes to help get you on the property ladder, including Home Change and Part Exchange.

5.

10 year warranty

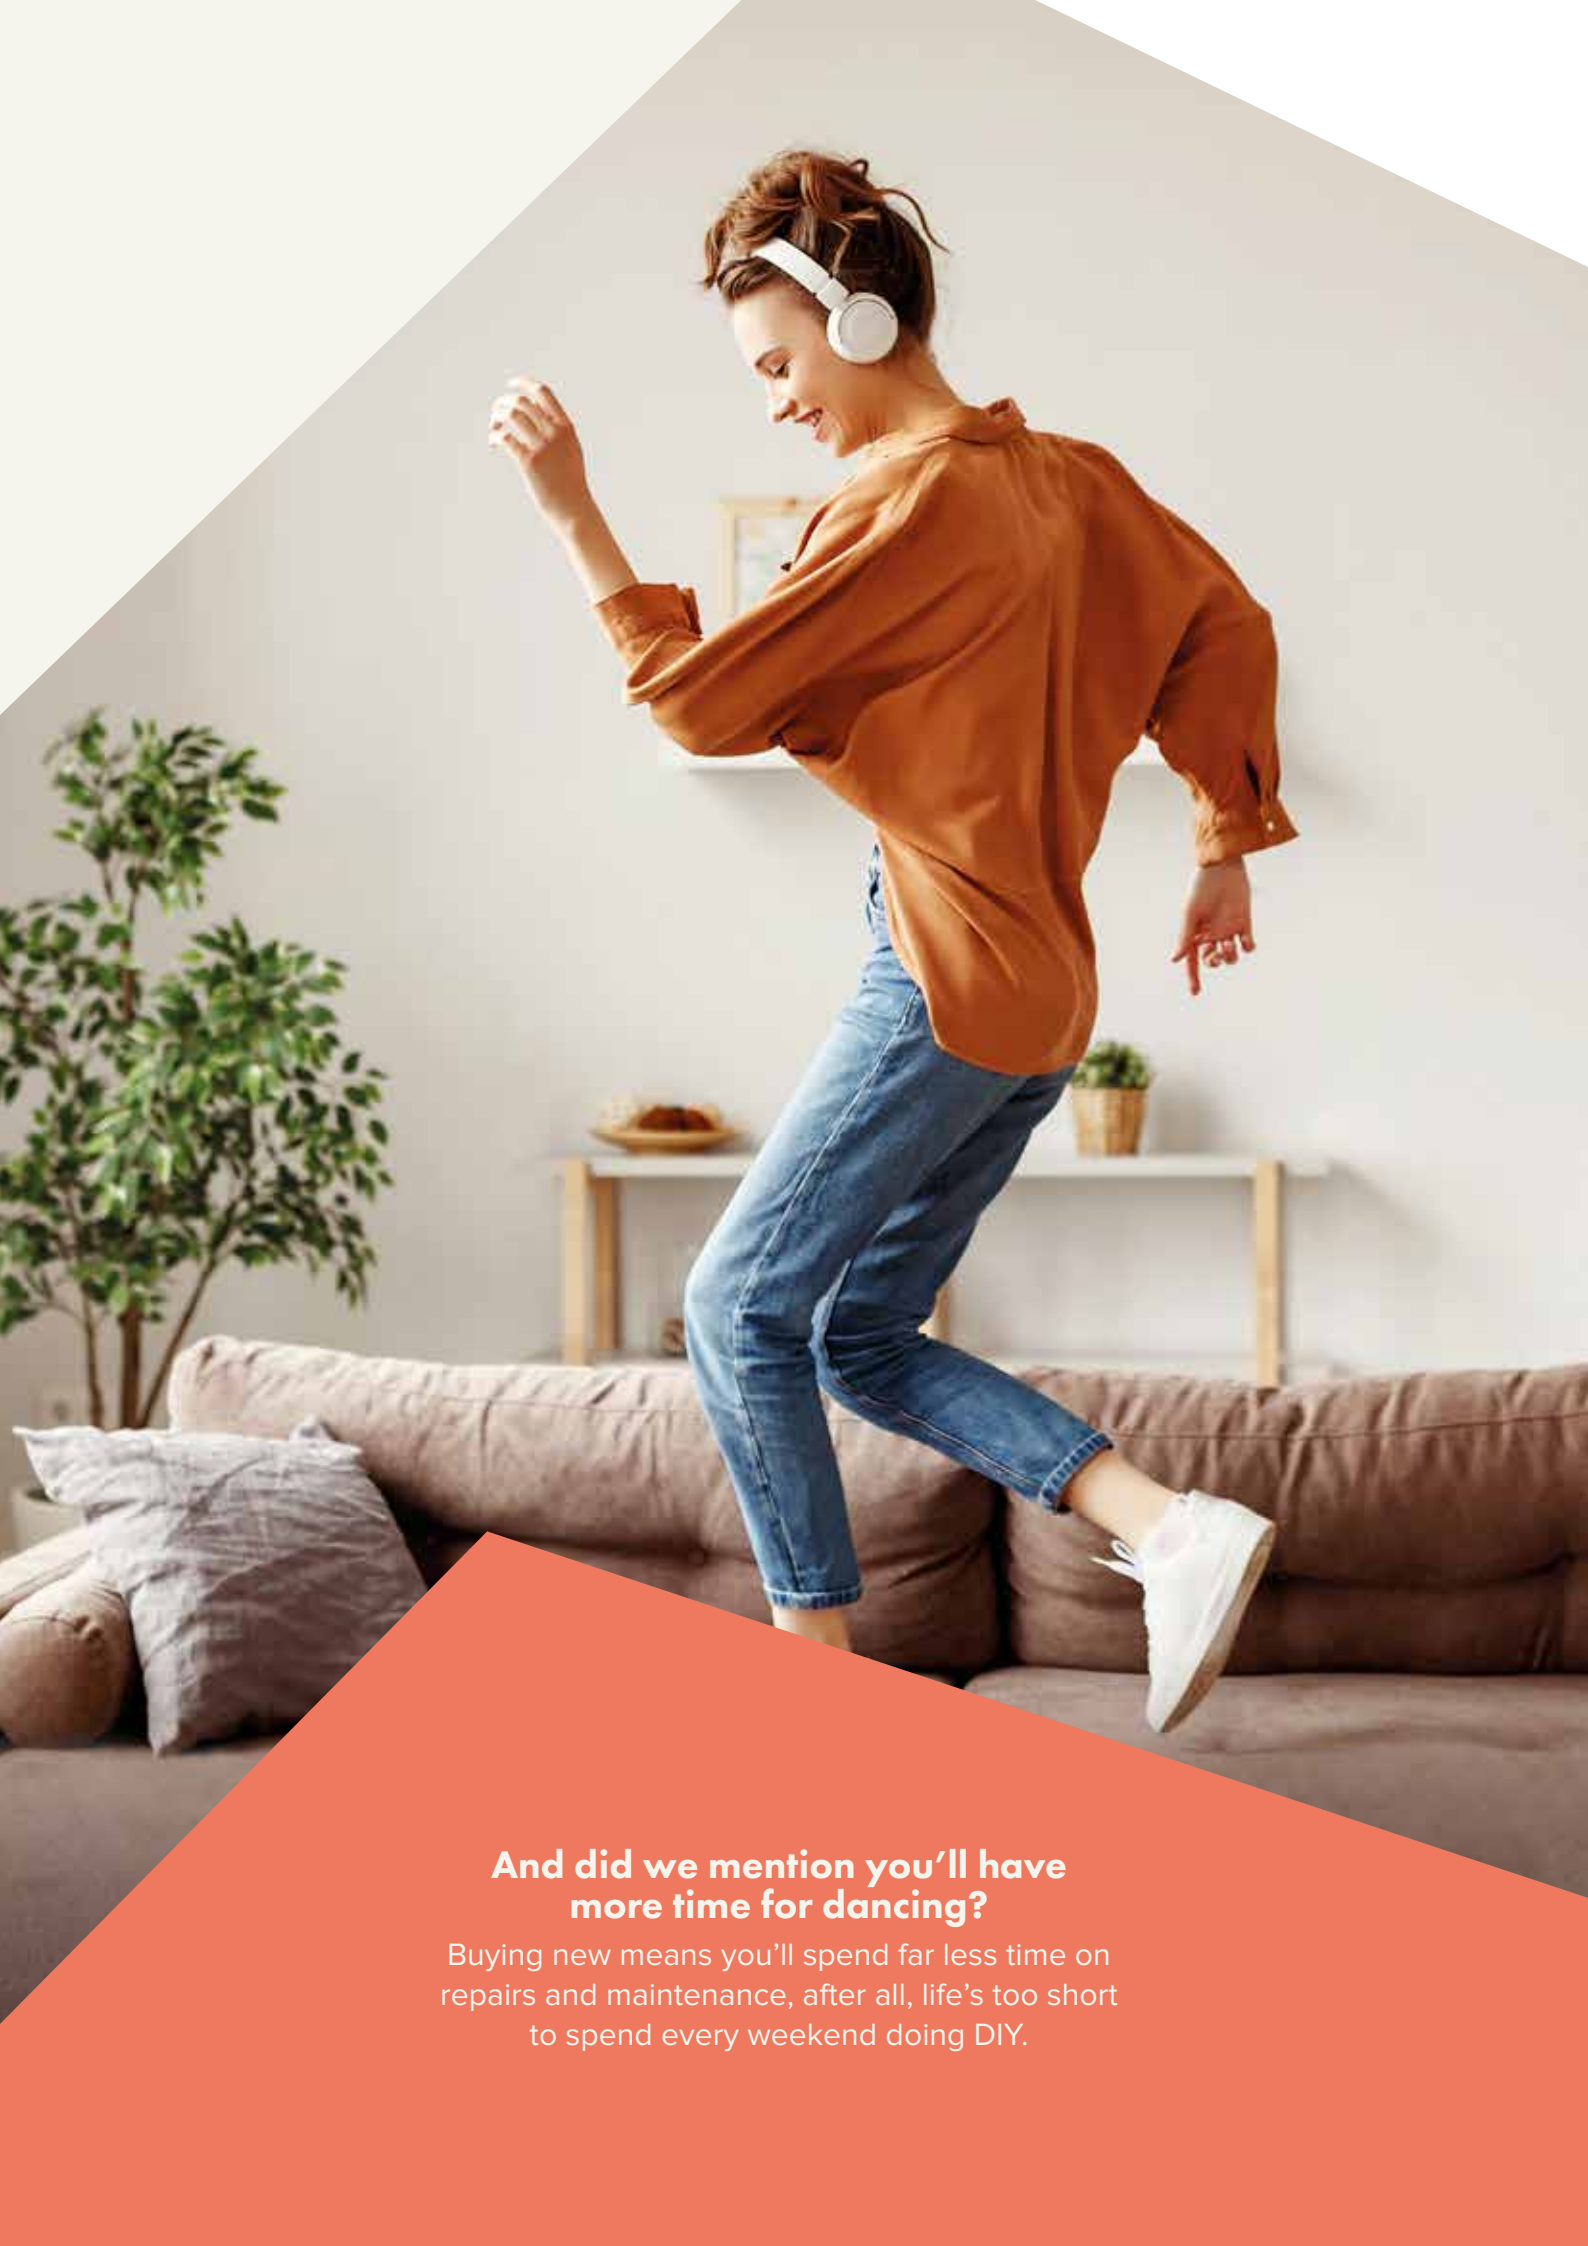

All our new homes come with a ten-year, insurance-backed warranty, as well as our own two-year Persimmon warranty. In the unlikely event you ever need to claim, our Customer Care Team are there to help you.

6.

Safe & secure

All our homes are built from fire-retardant materials and come with fitted smoke alarms and fire escape windows. They're also far more secure than older buildings thanks to the security locks and lighting we use.

[persimmonhomes.com](https://www.persimmonhomes.com)

**And did we mention you'll have
more time for dancing?**

Buying new means you'll spend far less time on repairs and maintenance, after all, life's too short to spend every weekend doing DIY.

Your modern home

Space4 is one of the UK's leading producers of precision-engineered construction systems, aiming to include their PEFC-certified sustainable timber frames in 50% of homes by 2025.

Many Persimmon homes already benefit from Space4's modern method of construction, with its technology offering improved insulation and air-tightness. For you, this means a reduction of 50% in heating costs compared to the average home in the UK*, plus you'll own a cosier, more comfortable home.

On the outside, your Space4 home will feature the familiar design of a Persimmon home which uses traditional materials such as brick, stone or render. Underneath, the hi-tech timber frame backbone creates new levels of efficiency and building rigidity. Your property will be durable and finished to an excellent standard.

High-performance insulation, together with Space4 construction, an efficient boiler, and attention to air-tightness and ventilation during the construction process, means that our homes can use 59% less gas than the average home in the UK*.

The use of Space4 technology creates a better place to live and work. Lower consumption of heating fuels and transport helps reduce CO2 emissions, while sustainable, recyclable materials create less impact on the wider environment. The overall carbon dioxide emissions for timber construction (the embodied carbon dioxide) are up to six times lower than for masonry.*

Concerning the Government's code for sustainable homes, most building elements with timber specifications largely fall into the 'A+' or 'A' rated categories compared to masonry**.

50% lower energy bills

According to recent research by the HBF, those who live in new build homes constructed to today's standards could save more than £3,100 a year on their energy bills compared to neighbours in older homes.* This means families could save approximately £77,500 over the lifetime of a 25-year mortgage.
