THE SPACE YOU NEED

Every home at The Blockhouse has an open living room and kitchen with integrated oven, microwave, fridge/freezer and dishwasher. Bedrooms have built in storage and there's plenty of space and storage throughout – including a dedicated storage cupboard for the washer/dryer.

MAKE IT YOUR OWN

Choose furnished or unfurnished, and customise your space – turn the second bedroom into a home office or a child's room. For unfurnished apartments, either rent furniture through our app or bring your own. Two furniture pack styles are available: a bright and bold modern urban style or a light and calming feel with playful and comfortable colours.

STRESS-FREE RENTING

We've created The Blockhouse app to make it easy to report issues, see rent statements, book events, schedule services and hire furniture. The app has it all. Renting at The Blockhouse gives you peace of mind, control and the flexibility to make the home your own.
