We pride ourselves on building desirable homes with high specification inside and out, in sought-after locations using a mix of traditional and modern techniques.

High quality specification comes as standard, so every surface you touch, every switch you flick, every handle you turn, and every door you close makes you feel reassured, comforted, safe and relaxed.

A sense of place

Finding somewhere we can call home is about more than bricks and mortar, it's about a sense of place and of belonging, too. Well-designed street scenes, gardens and green open spaces will evolve naturally over time, embedding your Charles Church home deeper into its landscape with each year that passes.

Where sustainability matters

Sustainability is integral to how we design and build our developments and our homes. At every stage, our exacting standards and attention to detail ensures we create homes where quality, style and energy efficiency are seamlessly integrated.
