Situation & Description

Builders yard and detached office building benefiting from planning consent for the erection of 5 dwellings.

The Embankment Works is situated about a mile from the town centre, within walking distance of the train station and all amenities which include a public library and the pleasant Monkton Park with riverside walks and cycleways.

There is a good choice of private schooling and Chippenham also offers excellent secondary schools and primary schools, together with Wiltshire College.

There is convenient pedestrian access to the mainline railway station (London Paddington about 75 minutes). The M4 motorway, the A4 and the A420 offer excellent motor commuting to the major centres of Bath, Bristol, Swindon & London.

From the town centre proceed on the A4 and down Rowden Hill. Turn right into the Esso garage forecourt and proceed up the right hand side of the garage. The land is along on the right.

The yard is shown coloured pink for identification purposes only on the plan and extends in total to about 0.40 acre.

Planning consent is conditional on improving the access road and the approved plans provide for 5 x 3 bedroom house with gardens and associated parking.

Copies of the decision notice and plans are available from the auctioneers.

They are not necessarily figures which a property will sell for and may change at any time prior to the auction. Virtually every property will be offered subject to a Reserve (a figure below which the Auctioneer cannot sell the property during the auction) which we expect will be set within the Guide Range or no more than 10% above a single figure Guide.

If you are the successful bidder, you will then be asked to sign the auction contract and pay a 10% deposit and a buyers fee of £600 including VAT on any Lots purchased at or below £99,999 or £1,200 including VAT on any lots purchased at £100,000 or above.
