Reserve & Guide Price

Generally speaking Guide Prices are provided as an indication of each seller's minimum expectation. They are not necessarily figures which a property will sell for and may change at any time prior to the auction. Virtually every property will be offered subject to a Reserve (a figure below which the Auctioneer cannot sell the property during the auction) which we expect will be set within the Guide Range or no more than 10% above a single figure Guide.

If you are the successful bidder, you will then be asked to sign the auction contract and pay a 10% deposit and a buyers fee of £600 including VAT on any Lots purchased at or below £99,999 or £1,200 including VAT on any lots purchased at £100,000 or above.
