Ward homes (York) Ltd are a family company based in York, who have fallen in love with Hornsea and the surrounding areas so much so that they are delighted to be building an extensive range of homes within the community of Hornsea on a new site on Cliff Road. The development has now started with the first phase of eight detached homes being released and early bird reservations being taken.

Ward Homes are really excited to being part of the local community and we at HPS are looking forward to working with them to provide an excellent service for all our new home buyers.
