Situated on the Chichester Canal adjacent to Premier Marina's Chichester Marina in an area of Outstanding Natural Beauty, Oyster Catcher enjoys a unique view and position, overlooking the lock gate toward Chichester Harbour - a fabulous destination location, popular for boating, harbour and countryside walks, recreation and dining out.

The houseboat is built to highest standards, using quality materials, blending traditional techniques with the latest technology. This newly constructed houseboat is thoughtfully designed to maximise space, style, natural light and comfort aboard.

Oyster Catcher can be used as your permanent home or weekend retreat, with designer finish low maintenance lines, an open-plan kitchen/dining/living area, two bedrooms and a luxury bathroom with walk in shower. Energy efficiency includes a high degree of insulation to floors, roof and walls with double glazed windows, plus LED lighting, electric radiators and MHVR (Mechanical Ventilation with Heat Recovery) providing fresh filtered air, whilst retaining most of the energy that has already been used in heating the building.
