An extremely spacious one bedroom lifestyle apartment, in easy walking distance to the Town Centre. FULLY FURNISHED to an extremely high standard and immaculately decorated in soothing and comfortable neutral tones, the property offers larger than average room sizes finished with light wood Canadian maple floors throughout. The materials of the furniture have been selected carefully, in order to create a complimentary feel to the decoration of the property as you can see from the pictures. Light is an extremely important feature of this property, with large double opening doors in the lounge, which not only flood the area with an abundance of natural sunshine, but also lead out onto your own personal balcony, enabling you to sit back and watch the world go by whilst enjoying a spot of alfresco dining perhaps?

The fully fitted kitchen is well appointed and contains, as standard, all of the appliances that you will need to create your own personal culinary masterpiece (including dishwasher!). Laundry is also easy as the property boasts an integrated washer dryer to keep your clothes nice and fresh. Should you be entertaining, then there is a separate dining area created in the large lounge with dining table and matching chairs to entertain in comfort. The bedroom is an extremely good size and is furnished to a high standard with loads of cupboard space and, again, large windows to allow natural light to flood through. The bathroom is most importantly clean, fully tiled in white ceramics, with both a bath and specific high-power shower riser, to ensure that whatever your preference, you can prepare for your day to your complete satisfaction.

Complimentary allocated parking is provided on site within the well lit parking area, and the grounds are maintained fully by a dedicated management company. This property is the ideal mix of privacy, whilst still being in easy walking distance of the Town Centre, train station, gym, shops and restaurants.
