£450,000

This stunning family home situated in the popular village of Armitage offers spacious accommodation over three floors and has recently been improved and modernised throughout.

This gorgeous family home is situated on a small private development built by Walton Homes in 2006 in the ever-popular village of Armitage. The village offers a range of amenities including Carthys tackle fishing shop, a choice of local convenience stores, restaurants, takeaways and a village pub. For commuters living in the village there are a choice of four train stations locally, two being in the nearby market town of Rugeley and two in the cathedral city of Lichfield, which offer local and cross county services with London Euston taking approximately 1 hour 45 minutes, making this an ideal spot for commuters working in the Capital.

Nearby road links include the A51, A38 and M6 motorways and for families, the property sits within the catchment area for Croft Primary school located less than a five minute walk away, and for secondary schools there are the nearby schools of Netherstowe, Friary, or King Edwards.

Set behind a low brick wall, a paved path leads to the UPVC entrance door opening into the hallway with herringbone effect laminate flooring and stairs rising to the first floor landing, a useful understairs storage cupboard and a guest cloakroom/WC.

From the hall a door leads into the home office which has a window to the front aspect and continuation of the herringbone style laminate flooring. Also leading off the hall is the living room with dual aspect windows to the front and side aspects.

The current vendors have cleverly redesigned and extended the rear of the house to create a beautiful open plan 'live in' kitchen with a large roof lantern, cosy electric feature fire, UPVC window and French doors opening out to the garden and a bar area for entertaining. The modern kitchen is fitted with an extensive range of wall and base units with inset Belfast sink and integrated appliances including dishwasher, double oven, microwave and a centre island unit with four burner gas hob, two ring induction hob and extractor above.

From the kitchen a door leads into the utility room which has further matching units, inset stainless steel sink, Miele washing machine and AEG tumble dryer. A window faces the front of the property and a door leads into the garage.

On the first floor landing the main bedroom has dual aspect windows to the front and rear, built-in wardrobes and an en-suite bathroom comprising bath with shower over and glazed screen, wash hand basin and low level WC.

On this floor there are three further bedrooms and the family bathroom which also comprises a three piece suite with shower over the bath.

Moving to the second floor, you will find two further double bedrooms and a storage cupboard housing the hot water cylinder.

Outside to the rear the fully enclosed garden has been re-landscaped by the current owners to create a wonderful outdoor entertaining space with an extensive patio seating area, lawned garden with railway sleeper edging, outdoor lighting and a bar area perfect for hosting summer BBQ's.

The property has two parking spaces in addition to the garage, with further visitor parking available.
