Sited in an elevated position within the Waves development with a pleasant outlook over the communal gardens, 7 Waves is a contemporary two double bedroom/two bathroom apartment located in Watergate Bay just 150 meters from the spectacular sandy beach. The development boasts allocated parking, secure telephone entry system and communal beach showers with each apartment having the convenience of a separate lockable storage area on the ground floor, perfect for surfboards and sandy wetsuits.

The modern accommodation comprises an open plan living space full of natural light with French doors opening to a large area of private and enclosed decking which provides a view of the pretty and well maintained communal gardens and the only apartment with gated side access. This is a great space for al fresco dining or a spot of sunbathing. The kitchen has an extensive and modern range of floor and wall cabinets which includes contrasting work surfaces and integrated eye level microwave, dishwasher, washing/dryer, electric oven, hob and extractor. The tall freestanding fridge/freezer is included in the sale. There is ample space for a dining room table and chairs, sofas and plenty of occasional furniture.

From the entrance hallway, you have the family bathroom which is stylishly fitted and finished with contemporary sanitary ware to include a paneled bath with a glass screen and thermostatic shower above, a wash hand basin, low level WC, a heated towel rail and fully tiled walls & flooring. Next up is the master bedroom which is a generous double with a rear aspect double glazed window with views to the communal gardens and a stylish en-suite shower room. The second bedroom is also a double/twin room and has a small window with views to the beach and sea and a recessed cupboard.

The apartment is neutrally decorated with underfloor heating throughout and UPVC double glazing. There is allocated parking for one vehicle in the barrier controlled car park, lockable caged storage area and communal beach showers. There is also a communal BBQ area to the rear of the development with some lovely views of the ocean and coastline beyond.

7 Waves is currently run as a holiday let achieving good rentals throughout the year which makes it an excellent, ready to go investment opportunity. The apartment is freehold and Waves was built in 2006. The service charge is currently £1,628. Services to the property include mains electricity, water and drainage.

Watergate Bay is an extremely sought after beach location, with a hive of activity and many attractions such as The Extreme Academy sports school offering a great range of sports and activities.
