

Modern country living

Welcome to **Chapelton**

We are using all our knowledge of placemaking to create a thriving community in Chapelton set within a new sustainable town. It is a place where you can enjoy the countryside while living conveniently close to Aberdeen.

Designed by chartered architect Gavin Murray, new homes will be distinctive in style and character. Each will combine the architectural traditions of North East Scotland with modern design features. Houses and apartments are being built to the highest quality standards with generous indoor and outdoor spaces.

Chapelton is being brought forward in partnership with landowner The Duke of Fife. Open green spaces, local shops and close-knit neighbourhood squares all add to its appeal.

If you are looking for a new home, to rent or buy,
Chapelton is a place like nowhere else.

A SUSTAINABLE NEW COMMUNITY
AND WAY OF LIFE

Everything your community needs to thrive

There is much more to communities than just homes. They are places that feel connected and accessible and where you can work, play, meet, and enjoy nature.

We know how to make places where everyone is welcome and has what they need – places people are proud to call home. From shops, schools and leisure services through to parks and transport links, we make sure local communities have all the facilities they need to thrive.

Chapelton town is being developed into six walkable neighbourhoods surrounding a town centre. Each neighbourhood will provide residents with a primary school and amenities such as convenience stores, cafes, offices and shops.

A network of pathways and green spaces connects everything together and encourages walking and cycling around the town. A large park will run through the centre, providing residents with somewhere to relax, stroll or simply enjoy nature.

The first neighbourhood, called Cairnhill, is well underway and will continue to grow over the coming years. As it matures, there will be more opportunities for businesses to open their doors as well as parks, play areas and Cairnhill Primary School.

Perfectly placed for the good things in life

As a developing and sustainable town, Chapelton offers a vast range of local amenities. Fast transport links also mean that Aberdeenshire towns and the city centre are within easy reach.

As a Chapelton resident you can enjoy open green spaces, local shops, and close-knit neighbourhood squares. There is a lively tearoom, a beauty and hair salon, the Slate & Grain Brasserie, allotment areas and a popular farmers' market. More shops and offices are also planned.

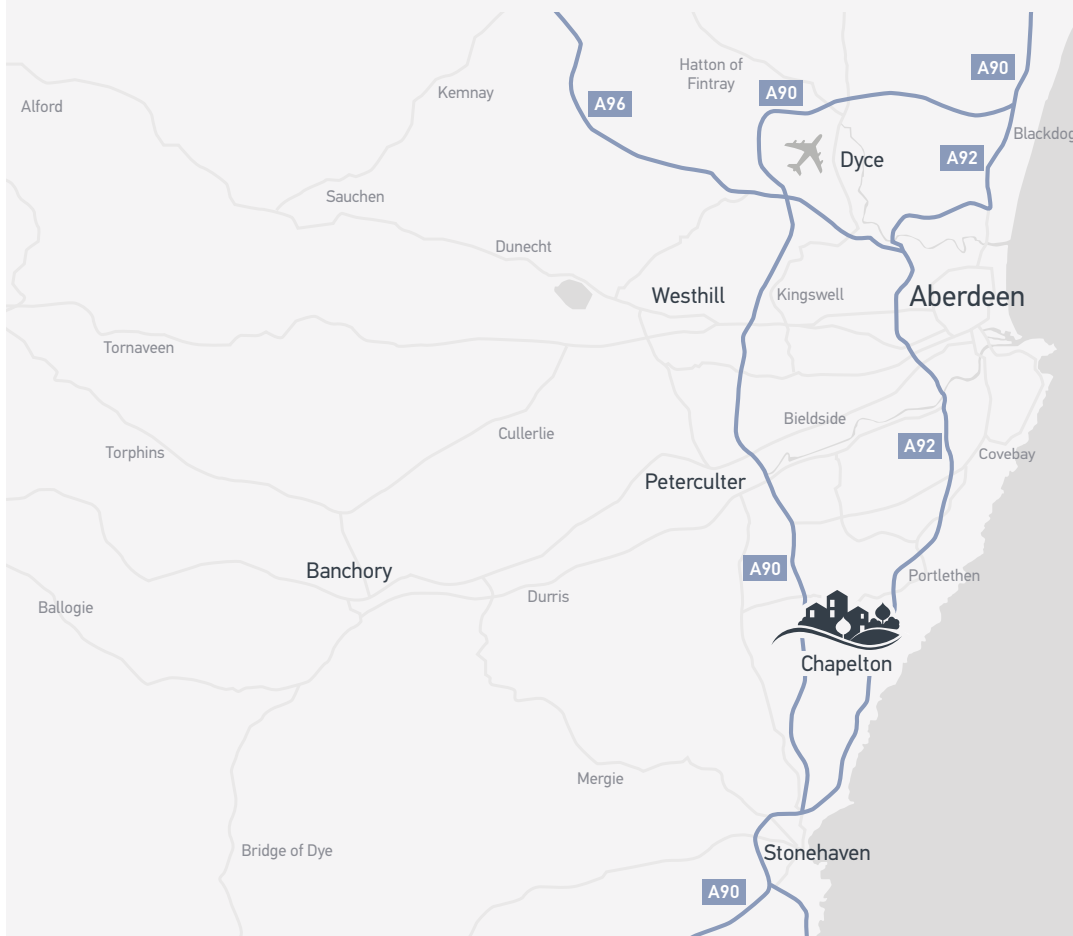

Public transport in Chapelton, including the Park and Choose facility, keeps residents connected. As Chapelton grows, an express bus service to Aberdeen will run through the town centre, whilst a town bus service will circulate throughout the neighbourhoods.

For runners, there are lots of routes to take advantage of around the development and beyond. The annual Chapelton of Elsick 10K offers runners a great day out and the opportunity to raise money for a local charity.

Your new home

We take a different approach to designing and building homes, which you can see in Chapelton. A creative use of architecture combines attractive period features with all the conveniences you need for modern living.

Housing choice in Chapelton is vast. As well as detached and semi-detached houses there are cottages, bungalows, terraces, coach houses and apartments ranging from two bedrooms through to four.

Each home has been designed to pay homage to the established buildings of north east Scotland. Inspired by local architecture, materials such as slate, stone and granite feature on all properties as well as timber windows and smooth render with coloured detailing.

We know how important it is for a home to feel welcoming and spacious. That is why all our homes are larger than the average new build. Each property offers plenty of indoor space with generous room sizes that are perfect for relaxation and spending time with family and friends.

Many homes offer good-sized gardens and courtyard areas providing tranquil and private places to relax as well as parking, including car ports and garages. You will also be able to enjoy safe and welcoming public open spaces, which are tastefully landscaped around walkways and cycle paths throughout the town.

Step inside a Chapelton home and you will find modern country styling at its best. Our trademark architectural style includes period features such as sash and case windows, high ceilings and chimneys.

The same attention to detail is reflected in the beautiful interiors which offer high quality fixtures and fittings. Designer kitchens combine traditional features such as our optional coloured shaker range, Belfast sinks and elegant stone worktops, while the bathrooms are fitted with high-quality tiles and stylish sanitaryware.

Some of the larger homes have a log burning stove as standard providing a beautiful focal point, and a cosy garden room creates the perfect space for working from home or entertaining.

In Chapelton, we have homes to buy and homes to rent.

Whether you're a first time buyer or a downsizer, we have homes for everyone. You may be able to rent your home at Chapelton through our affordable mid-market rent scheme. For further details please contact one of our team.

We're an award-winning developer

The Places for People Group is a family of award-winning companies all focused on placemaking.

We build homes and communities where everyone is welcome and can thrive. We listen to people and re-invest in our places to make sure they offer the same quality of life in 10 or 20 years' time as they do now.

**The places we make
are like nowhere else.
Because no one else makes
places the way we do.**
