LOCATION

The property is situated in a very rural location, in Lutton Marsh, a village consisting of a number of small isolated dwellings, some 4 miles north of Long Sutton, itself a smaller market town on the eastern fringes of the South Holland district. Long Sutton is accessible via good road links and a frequent timetabled Public Bus service to Spalding and Kings Lynn, and has a range of shopping, leisure and other facilities. Bus and train stations, connecting to Peterborough, which has onward services to London's Kings Cross (within 50 minutes), as well as further Primary and Secondary Schools are located in Spalding, and also Holbeach.

DESCRIPTION

The property comprises a Methodist Church with its ancillary areas, positioned in the centre of the geographical area of Lutton Marsh, with the property located prominently on a crossroads.

The property has a gross internal area of 57.11 m² (615 Sq.ft), and the site extends to approximately 0.21 acres (875m²).

ACCOMODATION

Accessed from south door:

Front porch:	0.94m x 1.35m
Main Church Area:	8.57m x 5.45m
Rear Kitchen and WC:	2.50m x 4.16m

The building is of single storey construction with the main church area having an internal ceiling height of 3.1m (min) / 3.6m (max).

OUTSIDE

The grounds of the Church are laid to grass, with mature Cherry Trees along the crossroads corner of the frontages. Stumps of a mature conifer hedge remain on the north and east boundaries.

METHOD OF SALE

The property is for sale by private treaty.

It should be noted that a buyer will be required to erect a post and rail fence to the north and east boundaries which arises from this being a Covenant within the property deeds.

Private drainage system

It is believed that the current private drainage system will not meet current 'General Binding' rules and any proposed buyer will be expected to replace the current system at their own cost.

It is proposed the Vendor will retain an overage of 50% on the value of the property in excess of the Hall/Leisure 'use' value for 80 years on the grant of an enhanced planning permission for the site. This is negotiable subject to use and value of an offer.

Prospective purchasers will be asked to comply with Anti Money Laundering regulations and to provide photographic identification in the form of a photocard driving licence or valid Passport, plus a proof of address.

Further information is available from the Selling Agents.

PLANNING

Interested parties are invited to make their own enquiries with South Holland District Council (Tel: 01775 761161) for alternative uses.

For any offer made on a 'Subject to Planning' basis we will require the prospective purchaser to confirm that enquiries have been made, together with expected timescales for making any formal planning application.

TENURE

Freehold

SERVICES

Electricity and water are available at the property. The building is not heated, and is served by a private drainage system, the tank for which is in the northern part of the plot.
