71 Clevedon Road Failand, BS8 3UL

£665,000

A sophisticated four-bedroom family home occupying an attractive mature plot with generous parking and garage, plus a beautiful private rear garden.

SITUATION

Failand is a village that has two separate parts. Failand itself is on the B3128 Bristol to Clevedon road, and is the newer and larger part. Lower Failand, a mile away, is the original village (shown as Fayland on old maps). Lower Failand can be reached by single track lanes only. The village is home to a post office with general store, a pub (The Failand Inn), an observatory, a church, a well-used village hall and has a very active village social life. Despite being a rural village, Failand is very close to Bristol, and Clifton in particular. Clifton village is only 5 minutes drive from Failand, via Clifton Suspension Bridge. The X6 bus runs to Bristol city centre about once per hour, via Clarken Combe, Bower Ashton and Hotwells. Lower Failand is on the National Cycle Network. Route 334 provides links to Clifton in one direction, and Portbury and Portishead in the other, linking to routes North and South. There is easy access to the M5 and Bristol International Airport is approximately 6 miles away. The nearest primary school is at Flax Bourton (2 miles) with several secondary schools to choose from including St Katherine's School, Ham Green (2.4 miles) and Backwell School (2.7 miles). Private schooling is at Wraxall and Bristol.

DIRECTIONS

From Nailsea High Street proceed towards Tesco's. At the roundabout turn right and follow this road out of Nailsea towards Wraxall on the B3130. Once in Wraxall Village just past All Saints Church on your left hand side take the next left turning on to Wraxall Hill. At the T-junction at the top of the hill take the right hand turning on to the B3128, Clevedon Road and follow this road into Failand. Go past the Failand Inn and continue up the hill, the property will be found on your right hand side.
