A lovely family home with a drive to the front of the property to accommodate 2 cars. The property is entered via a porch and into the hallway. To the left you enter into a large, modern kitchen/diner that stretches the full length of the house with French doors that lead to the garden/patio area. To the right is large living room that again stretches the full length of the property with windows at both the front and the back making this room very bright.

To the upstairs are 2 good sized bedrooms one with fitted wardrobes.

The bathroom is a new white suite with large double shower and finished with neutral tiles

To the rear of the property is lovely patio area for alfresco dining
