7 The Hatches

Frimley Green, Camberley, , GU16 6HE

Hamiltons are privileged to be able to present to the market a truly historic property and one of Frimley greens most iconic and even features on the Village sign. We believe that this Grade II Listed property dates back to the days of Henry VIII & the Tudors circa 1500. The surprising accommodation comprises a beautiful living space with a minstrel gallery, vaulted ceiling, exposed beams, ingle nook fireplace and a door leading out to the south facing rear garden.
