SALES & LETTINGS

Situated in the very heart of Old Portsmouth, opposite Portsmouth Cathedral, Oyster Street is the perfect, quiet, yet ideally central location, just a stone's throw from the harbour entrance and the Round Tower and with exceptional views to the Isle of Wight and the Solent.

Set over three floors, this is a wonderful and rarely available town house with stunning views of the Cathedral to the front, the harbour entrance at the rear and the Spinnaker Tower. On entering the property there is a good-sized living and dining room, at the rear is a ground floor WC and galley kitchen with patio door leading to the rear paved garden. There is a full-size garage with space for a large 4x4 or estate car and to comfortably move around. There are open tread wooden stairs up to the first floor which has 2 large rooms, the one facing the Cathedral was originally the living room but we put a temporary stud wall there 4 years ago to make a 4th bedroom, however this can be removed and then it will become open plan again. There is a double bedroom to the rear and open tread stairs up to the 2nd floor. The master bedroom is at the front of the house with a view of the Cathedral and its beautifully manicured grounds, at the rear is a modern newly fitted bathroom with shower over bath and combined sink and WC unit in grey. Finally, there is a 4th single bedroom or study with stairs leading up to the amazing roof terrace.
