A FABULOUS THREE BEDROOM FAMILY HOME!

This stunning modern Townhouse that was once the show home on this private estate is offered in superb condition throughout having had many improvements and additions since it was built in 2002. The ground floor comprises a large kitchen diner, substantial store room/gym, ground floor WC and a stunning conservatory. The first floor benefits from a spacious L-Shaped living room and a double bedroom, whilst the second floor offers a further two double bedrooms, en-suite shower room to the master bedroom and a further family bathroom.

Externally, the rear offers well-kept private garden with a patio area, raised decking with a rotating lounge and lawn. There is further space to the side of the property which has been used to offer a useful storage shed, whilst the front offers driveway parking and access to the integral garage/shed.

Hounslow boasts a multitude of qualities which make it an appealing destination for commuters and families alike. Families and first-time buyers are allured by the district's regeneration improvements, including the high street's major renovation scheme which started in 2013 and is due to continue with further plans that will enhance the area. In addition, Heathrow Airport is within easy reach, whilst Hounslow West and Hounslow Central stations are also within close proximity offering commuters access to Central London.
