JOINT SOLE AGENT

Stirling Ackroyd is an independent, privately owned firm of chartered surveyors and estate agents, which has operated in the City and City Fringes since 1986. Initially formed in Shoreditch as a commercial practice, we are now predominantly a residential agency although we still deal with all aspects of commercial property in our local areas.

We have strong exposure throughout the City Fringes and were the first agents to set up branches in Shoreditch, Clerkenwell and Bankside. Our head office is positioned in the heart of Shoreditch and having been the pioneering agent in this area since 1986, we have an extremely strong presence in both the sale and letting of new and second-hand stock.
