The professionalism and the personal attention you receive as a business that comes from Olga and her team at Boundary House is genuinely second to none. Location and facilities on offer to businesses are also very good. I spent 2 years at Boundary House as a tenant...Highly recommend.

Simply the best offices we ever had, wonderful friendly staff and everyone always has the time to chat to you and help in any way they can, they are more like family than landlords. I would recommend them to anyone looking for office spaces and positive vibes in the mornings. Their Coffee shop No6 next door is amazing and also worth a visit.
