Property Description

Situated on a manageable plot with rear raised sun deck we are delighted to bring to market this 32' x 20' park home on this established retirement site for residents aged 50 or over. The Elms Caravan Park is set in the heart of Epping Forest and therefore affords stunning views over Essex countryside.

The home itself is presented on a traditional floorplan with stairs ascending to the entrance porch which houses the oil fired central heating boiler. This provides direct access to the kitchen which is fitted with a range of white wall and base units and provides space for kitchen appliances.

There are two double bedrooms and bathroom fitted with a white suite.

The lounge which faces to the rear aspect offers fabulous views over the open countryside and allows access via double doors to the rear timber sun deck.

Externally there is a manageable personal plot with an established front and side courtyard. The rear aspect is enjoyed by a raised timber sun deck accessed from the lounge.

Residents must be aged 50 or over and interested parties should note that one car park space (if required) will be provided per unit. The Elms does operate a no-dog policy

Park home purchases are made cash (no funding is available) and purchasers must consider the terms of The Mobile Homes Act 2013 prior to purchasing a home.
