The entrance has a composite double-glazed front door opening into a useful porch, ideal to store coats and shoes.

The spacious living room has a feature fireplace, a large bay window looking to the front and has laminate flooring, that is throughout the ground floor. The stairs rising to the first floor can be found in this room.

Through an archway into the modern kitchen/diner that offers a built-in double oven, integrated dishwasher, induction hob with extractor fan above and space for a washing machine.

Just through the kitchen is a utility room that houses space for a tall fridge/freezer and tumble dryer.

The door to the downstairs shower room is accessed from the utility. This bright and airy bathroom has a shower, wash hand basin and low-level WC with an obscure window which faces the rear of the property.

On the first floor there are three double bedrooms and a generous single that is currently being used as an office/study.

The principal bedroom faces the rear of the property, while the others look out to the front.

The bathroom has a full-size bath with shower above, low level WC, wash hand basin and an obscure window to the side aspect.

There are solar panels on the roof which heat the hot water and helps towards the electricity costs. They also provide a return of approx. £800 per annum.
