COMPRISING APARTMENTS & HOUSES

A LANDMARK LOCATION WITHIN THE ROYAL BOROUGH OF GREENWICH

Welcome to The Peltons, an exciting development of one, two and three bedroom apartments and two, three and four bedroom houses in East Greenwich.

The Peltons comprises three separate phases of development on the border of a desirable conservation area less than 750 metres from the River Thames and the backdrop of Canary Wharf and the Greenwich peninsula.

GREAT CONNECTIONS INTO THE CAPITAL AND BEYOND

The Peltons' location to the east of Greenwich places it in an area close to everything Greenwich has to offer. The heart of Greenwich is a gentle stroll away along the river, while the Cutty Sark DLR is less than a mile along Blackwall Lane and Trafalgar Road.

Other local transport options are plentiful, including a frequent train service from Maze Hill of just 14 minutes into London Bridge. Alternatively, a Thames Clipper service operates from Greenwich Pier, with a journey time of just 33 minutes to Blackfriars Pier.

To the north of The Peltons is Greenwich Park, home to The Royal Observatory and the location for some of London's best views, which is less than 800 metres from the development.

“A vibrant area close to Greenwich, Greenwich Park and a short walk from the river front”

GREENWICH'S EAST VILLAGE

East Greenwich's desirable conservation area is on the doorstep, comprising a network of charming early Victorian residential streets, some of them still cobbled. The Pelton Arms, one of the capital's best loved music pubs, is less than 500 metres away down Pelton Road; the river front is approximately 250 metres further away.

Here a row of 18th Century houses, including the former Quartermaster's house, can be found together with the renowned Cutty Sark pub, one of London's finest preserved Georgian ale houses.
