This unique property provides a number of characterful features including a large reception area with an imposing fireplace, a feature staircase, and an impressive board room with barreled windows overlooking the landscaped garden.

The property has been recently refurbished to a high standard blending modern standards with the timeless charm of the original features.

Externally the property benefits from secure car parking with barrier access to the frontage.

The stables are situated at the rear of the Moat House and provide four self-contained offices, studios with independent entrances, and toilet and shower facilities.

The development benefits from many character features including exposed brick walls and timber roof trusses.

The property is a short walking distance from the town centre and Sutton Coldfield Railway Station which has regular services to Birmingham New Street and Lichfield.
