### THE LOCATION

Great Dunmow is a historic market town and Civil Parish in the Uttlesford district of Essex. It is situated on the north of the A120 road, midway between Bishop's Stortford and Braintree, 6 miles east of London Stansted Airport.

With a healthy selection of independent retailers offering a varied choice in its engaging High Street, a Tesco superstore on the outskirts, the town is well provided with everyday

requirements.

Well situated for the commuter by road with the A120 connecting with the M11, and by rail with Stansted and Bishop's Stortford stations providing regular service to London Liverpool Street in approximately 45 minutes.

Altura Place is located by Talberds Ley, which is the site of the 'four-yearly' ritual of the "Flitch Trials", dating back to the 14th Century, in which couples must convince a jury of six local batchelors and six local maidens that, for a year and a day, they have never wished themselves unwed. If successful, the couple are paraded along the High Street and receive a flitch of bacon.

With beautiful countryside surrounding the town, there are

many lovely walks and trails to explore, whether on foot or by bicycle.

Hatfield Forest National Trust is just 7 miles away and is home to over 3500 species of wildlife.
