H2O
HOMES

Wilbury Grange is a quintessential example of a classic 1930's Art Deco building and is set in a wonderful location within walking distance of the cafe's, restaurants and shops on Church Road with Hove lawns and the seafront to the South and Sussex County Cricket ground to the North. This elegant 2 bedroom apartment enjoys an enviable triple aspect and is presented in immaculate order. From the communal hall, with its Art Deco features, the lift takes you up to the sixth floor and upon entry to the apartment the hallway is bright and welcoming with ample storage. Onto the glorious living and dining room with its magnificent East, South and West facing aspects that allows the light to stream in whatever the weather. Additionally, to these rooms are 2 corner balconies, one South/East for mornings and one South/West with distant sea and South Downs views for evenings. The contemporary style kitchen is well equipped with luxury granite work surfaces. The East facing bedrooms are both double in size with built in storage and there is a contemporary style shower room. The property has been beautifully maintained with replacement windows and doors, most in the Crittall style in keeping with the era. There is seasonal heating (Oct-May) and hot water included within the service charge.
