Parish Field House is a unique, four-bedroom town house within a hugely appealing courtyard setting, only a short walk of the beach and town centre amenities.

The house itself is especially attractive and offers deceptively spacious accommodation with generously proportioned rooms that are flooded with natural light. Located on the northern side of the town, just by Filey Brigg Country Park and St. Oswald's Church, it enjoys relative peace and quiet, and is just a short stroll from the cliff top where there are breathtaking views of the bay. In addition to communal gardens and grounds, the house benefits from its own courtyard style gardens on two sides, which are beautifully maintained. Vehicular access to Church Cliff Farm is via electric, wrought-iron gates and Parish Field House has the advantage of a large double garage, as well as two allocated parking spaces, just a short walk from the garden gate.

The accommodation, which is arranged over two floors, enjoys a versatile layout that includes a ground floor bedroom suite which is perfect for guests, or anyone with mobility issues. The overall floor area amounts to approximately 1,900ft² and comprises, front and rear entrance halls, 24ft double aspect sitting room, dining room, study, kitchen, and guest bedroom with en-suite shower room. Upstairs there are three further bedrooms, including a superb master bedroom with balcony and en-suite shower room, and a house bathroom. The whole property is presented in excellent decorative order and benefits from upvc double-glazing and mains gas central heating.

Filey is a charming town located along the Heritage Coastline approximately 7 miles south of Scarborough. Best known for its award winning 'blue flag' beach and the Crescent Gardens, the town has been a popular seaside town since its Victorian heyday, but at its heart remains a traditional fishing port. It benefits from a comprehensive range of amenities including schooling, independent shops as well as high street retailers, a wide range of restaurants as well as Doctors surgery.
