# Green spaces abound

Bicester is surrounded by glorious Oxfordshire countryside and charming Cotswold villages for you to explore – but you don't have to travel to savour the great outdoors.

There are abundant play areas and public spaces, community woodlands, parks and sports pitches, ponds and brooks and havens for wildlife and nature within Kingsmere itself. Great green spaces, connected by walking and cycling tracks and paths – making it easy to get out and enjoy a breath of fresh air.

# The perfect modern village

Kingsmere is designed to be a complete and self-contained village. There are primary and secondary schools close to the multi-use community and youth centres, a day nursery, a retail park and convenience store, Brewers Fayre restaurant and newly opened healthcare center.

Add all those green spaces, play areas and sports and leisure facilities and you've got everything you could want, within easy walking distance.

# Bustling Bicester

Bicester's charming old Market Square, with its 16th century buildings, hosts regular traditional and farmer's markets along with events and entertainments – which also take place at Garth Park.

The town has a great blend of ancient and modern, and Bicester Village, with its 160+ designer outlets is a shopper's paradise, served by its own railway station – which, like Bicester North station, is handily located for Kingsmere.

# First class for education

Kingsmere is first class for education at all levels, with St Edburg's CE Primary School for 2-11 year old pupils rated Good by Ofsted - and an extension planned too, even closer to our Cala homes.

The brand new Whitelands Academy is a secondary school for 11-16s with outstanding facilities including a sports hall, pitches and multi-use games areas, and it's also opposite the Whitelands Sports Village. You'll find a great range of other options in and around Bicester too.

# Fantastic family days out

With the glorious Cotswolds countryside to explore, and the many delights of Oxford and its 'dreamy spires' less than 15 miles away, there's always plenty to do for all ages and interests. How about some high-octane activity with Banzai Events?

A stroll around tranquil Waterperry Gardens or Shotover Country Park? Or maybe a visit to magnificent Blenheim Palace? You're spoilt for choice, and all within easy travelling distance.

# What our customers say

“ We visited all of the home builders on site at Kingsmere but, for us, Cala Homes clearly stood out. The home are exceptionally light and airy with stunning fixtures and fittings, plus they have high ceilings which was a must-have for us.

We always wanted to buy a new home, as we both love a modern, clean, minimalist interior. Renovating a second-hand home can throw up all kinds of nasty surprises and additional cost, so we just felt that we'd get better value for money with a new property.

Kingsmere offers everything we could possibly need, and we don't plan to move again for a very long time. We're excited to properly start our married life here together in our perfect home and would highly recommend the experience we've had buying with Cala Homes to anyone. ”

# Sustainability the Cala way

Cala has a rich heritage originally dating back to 1875. We started building homes in the 1970s and, for over 50 years, have been creating high quality, sustainable new homes and communities. However it is not just what we do, but the way we do it that matters to Cala.

Thinking sustainably is at the heart of everything we do; from identifying the right sites, through creating a safe, healthy and fulfilling working environment, to taking a sensitive approach to development and delivering communities that meet local requirements.

As part of our sustainability journey we are aiming to reduce our paper usage by 90% across the company, including the customer journey, which is why we are aiming for online only brochures at our developments.
